UCBL

(papers not numbered) ? to p. 66

as look would show it that not much damage was done to the crops, &
only one ^{cow} seriously injured, belonged to Capt Taylor & his wife . . .
Capt Haynes (?) moved down . . . stampede caused by horse & dog
"the devil is in the eye; up to the state . . . I call it dog meeting",
it was found that the dog was placed - about a stalk or to the west
of 100 paces of the "cave" & if barked a lot of loose . . . to be shot
we cross prairie from east . . . Got wool of Loop from E. Gunn

June 5 - antelope - Wood River . . . much here than any . . . notice
of attack on the Range by the hills . . . to eastern RR & Wood R . . . water
here is white . . . 2 dogs killed despite objections

June 6 - Shoot our p-dog . . . rusty brown black, prairie . . .
similar to Scotched . . . a year GI, said to 100 m long . . . dog
name, hills . . . cattle out

June 7 - see elk & antelope - dog catch

June 8 - antelope, elk, walrus . . . B. bull . . . Buffalo range
many B. Cascades partly deranged, & heads & bones w/o number . . . see
fence on the side of the P . . . 1 1/2 m wide . . . well 5' deep
dog & to MS

June 9 [much depleted - fungi script] . . .
re Hanksville Co & Oscalossa Co . . . our side best . . . cow
stampede . . . lots of livestock . . . thorn head scattered - in direction

June 10 more stomps & stampede

June 11 B. hunts - last a pole . . . agent of man
for other side re ownership of land . . . some of an other side help themselves &
our cattle . . . temperance within

June 13, 1849

June 14 - prairie . . . humble man . . . night - last
of Henson Rowe & Loop Farm . . . are Co. on the side near see

Loran diary

To Inles they see

[S. Halliday]:

- Loran has . . . Buffalo Sept 48, okan to Chi
- at St Johns - "large prof. sand, gravel & gravel . . . (upside) of
precursor = quite com. . . 2 Kromber used in ois by postals . . .
there are also 2 flatboat or St. crossy near & day . . . sound of
gunns only thru beam. Sun & wait till then for 3 weeks
- 6/2 on E side of P. to Panama [?]
- 7/4 found a gun for my state - to Vmii + a volume of
Ca + to dipping . . . one of the Rovers got a tank shot off . . . To firing
kept up till late hour [or over?]

6/15-16 - more of long - led + B, phyls by Am phyl

(6) W. Williams d. 6/10 chad 23, Ostrich, a "body" -

(6) will be added, up head-board

6/17 - plenty B

6/18 - a "Bulpi" ~~and~~ chad - P of afters drop wood

6/19 - million of mosquitoes - Boyd run on &

o wgs, beam & legs. for fall off temp - I of 55

24 new miles of otix & skins - Pioneer to opps

6/21-22 - long chain of brok da wall of partitions -

Bones petrified into stone - opp on or level place a big pile
of stone . . . up a ? detail

6/23 - up opp car - ob seen & dit 50 ml, to most
deceivng try ~~to~~ the red - am to resp by of best + a
mamoth done or to top

6/24-25 had a mob of on to, so - to front Ca

6/26 plenty of water

find
cave

Dir

Lost in day

6/27 loose signs of CR, Black trees - short

6/28 Ravens full on fall on

6/30 an or peng opp FL or note opp Fur jobs

Fg of dark brick. It seems deserted & just get into the rain
FL solid 1 1/2 - of here - just full, 17 of rye like than it
to it. ... How to BHS Creek. peng - old over

own \$2 peng 233

29th - fur of AFC take position of the leg of the troops
who & evaluated of 3 yrs ... 2 of them run away & lost back & is now
Chained up, may 5 - is under ... may would be in left of the
Fort - case of the troop ... F is built of burnt clay, & 4 or 5 other
beds (?). ... Bricks is other colored but they & white - washed in ...
flag stuff stuck up ... the fur camp is making their position busy
up articles & provisions at low prices Pineen to here they say that
the (G) will only 1 to 2 mile to here, & where to road want
are to every 400 yds, but there is in the decrease

The fur robbers that had a cattle 2 of the herd - quarrel &
one was found shot ... thousands lbs of beaver, eggs, flowers ...
went for miles to bottom ... 3 B - to blacks ... better 10 c

6/30 - warm sp ... Carter says two long road
pass just his rock, a small hole rises & on this side to river
looks like an altar ... huge force (?) stabs on 2 columns of
stone, & is about 12' high & has a hole - it

7/1 through

7/2 a man a wheel over of the cholera - Pineen

found today - Ravens - Oocloro -

7/3 Bear - not good - to Pralen

7/4 - poor grain, gloomy prospect - C. of beaver of ~~the~~

Dear Creek - the goat to beaver. some of hollow logs, & road is

FP

? cp'd base of NP

6/10 we rich from + direct - blue hills

6/11 Ca to m a trail to main Platte, 1/2 m 1.2-4'
left the canyon - to ov

6/12 made Ash Hollow, 15 mi. - by other trail -
a beautiful place

6/13 15 Gs

6/14 9-10 Gs - cp off C.H.R. - 8 mi / 7 camp -
about 1500' high - by 22nd bed

6/15 app. mud off CR - gets an Or seen - vs his town
cpul of a kind of yellow clay - then exposed - 300'
1/2 level the level of the water + 2, 10 other
line on the road?

6/16 took us met U.S. mail a camp of 3 miles - there is
one man in it - 2 Ex. squares, and I only to back -
mail by f. S.L. paying money by 10-5x

~~6/17~~ 8/27 on H.R. - water most hard

8/28 fall

8/30 fall

Back to

6/17 8 mi to FL - a truly star. here

6/18 L.F. 25 / way, + the had to wait 2 hrs
for other team - 25 yd. well 4' deep -

on FL 12:30 - sev. by fine beds of numerous other
beds - 60 oaks - a by well-furnished store, a fine
bakery or ch. I had a fine meal - the way we had a
royal feast of the seeds - they came up + dried us to be
a camp - the mag. told that he had a sick man +
wanted to be early - my - fine - used came to feet
brot 8 or 10 men up here - took mag. down to the
feet - the other said he was not, but a private - he was
used put in mind to wait his trial when their chief
offer comes - he will v. to dry, bell + chain

I did try put the seeds - the 8-horn - ?]

6/19 left PR for 100 mi - on way, when v. / S.L.
goal that we v. left it

Log

[written after the event]

Samuel Heard, ~~1851~~ ^{log} ~~1851~~ 1849-1851

This was written after the 3 Cross & other can - 1849 & it was the route used when Samuel Heard brought his mother - Jacob - wife & baby & sister Sarah & bro Geo. to Ca - 1851

I saw 49 in co of my bro & other tral of I to Society via SCO + HEO & Lousa route - we had 8 FL up & guide. There we found a copy of the M Guide to SCO - p. There was had one guide & says the best of all my bro kept one - this seems (?) I had 2 sets of maps with CR & maps could adjust & connect to the Guide - [overview of the diff route - it for Can River a new route made - 1851, known as Bismarck route, this is the nearest to Marysville but a very rough road]
