 > at Pompey Spring - did not gain helps train - manager
shot badly at Broom - left wife - 2 child - Capt Wally from came

I
 > came up of Conn found train, boy & 2 equipment - did not wanted to gain
see Is - I was no apart of the part Is, I always go to the south to
eat very the clothes I cd spare - if treated crucely, etc
 > blowings train attached, his church - 5 men had, his wife scepter
from go south route - us separate

I
 > we alone while we hunt cattle - take children to safe place
we back to protect us of Is - not Is often all - paid
Wally's train - came to Hallway's G. - wife had hair scattered
all and - she called o way after Is kept her of death - a
train took her to S. Calif - we had not trd but - for days
until we heard of the murderous massacre at was capt train's train
