my bro & I entered a spec biz of atcham - I paid  
a partnership w/ H. M. Porter to run or - make trs. of transp. of  
freight to Dva - fur route - some all freight - "dust"  
we made \$5000.

But I sent venture barely paid expense - we packed  
wholesale spec biz - Dva - I got work - atcham - atcham by the  
most wintery pt recall of how we need - found also all lds project,  
plus cost to do - had to charter others

made trs to carry at freight expense

Sp (1864) decided to go myself, wife - delicate ~~heart~~ health,  
wife also (!) - 2 hrs cw in goal to sell to someone, +  
one has top buggy of us - wife in part - 1 extra horse

Chad Str, small stock, for sells - + str - + Gilman R  
15 m E - some butchard, other no sweat

It's rarely interful of freight, mostly they would  
tried one. blew up gunpowder, by : many - for It's

had my - to my - have instead of spec biz

Thos R. Davis, "Over the Plains to Colo.," Harper's New

Monthly Mag. (Jan 1867) vol XXXV, 23-33

(66?)

Went to Spain to mine of Colo. - to Chi  
Car to Colo Books - bought, stop to CBs - other parts of  
in to CBs - to go on Paup RR west of O. to west of - only,  
down Boyer Cr V - ~~sent~~ to Mr - 15 m to CBs, - 1 m  
of coach to ferry to O

Kind of reporty notes - describe of Omaha RR depot  
20' next day, and at sta off. Ferry - left car to enter a way  
in wheel in broad-trail, no way to find RR - A line rough stone  
point

at Fu we find stage - a variety of in + in board of a mile  
Nature very perfect grade

Sta-hss, 12-15 m, CV Stage - Co. p, relay of horse,  
page pages proved up "spare work" at \$1.50 each 2 even work /  
costly but to be transported long dist - at Julem \$1.50 each -

Called Adobis, they a standard of turf. 2' thick - small  
to window of loggia of firing - Hss + laws give credit up high turf  
walls. Fine surface of his behind turf wall up post-hole  
Its proper to street stone

Delightful ride 3 days + more - car dry + brown -  
Paup Hs - Dm - feet a feet or when we first enter the car - Boston

By Paup RR by trail up RR up unequalled rapidity -  
2 1/2 m in a single day, 150 mls - 100 dy - 12000 hml -  
None saw - miles, > doz hml - timber by depleted 60 m below  
~150 abn O timber of ties - Bondy hss - wheels

Grade far by far proper & 3 Jan 67 now > 150 m of stage  
& be reg'd bet Dm + Boston

in Ben Halliday stage coach of Central City

c by head of horses of Gen. engaged by man  
All started to go back to St J

Re Pony Express - essay - To subject Before St J Start  
April 23, 1860 - found on the ground we in met on outskirts of riders who had been wounded ~~by~~ (by Is) but they had stability to the course, det that noting about of death & know the schedule time for to mail. no little alarm - camp to see one day a pony go by w/ an empty saddle, saw only the little sack of mail, the force of habit w/ the heavy instinct of the pony carry him thru to the end of his route, tho to look side x. lay. cold & stiff - death (!)  
After - camp to P. - a pony saw - to quicken & was drawn - But the rider, w/ sack of mail - the teeth, saw ahead, carry it 15 miles on foot to the station. - only a hour behind schedule time  
PE rider gave 3 notes to note state keeper -  
Not many then, but that I attack  
One of our horse attacks & wound - boy

They on a side of Is, the boy in a stop & twice Miller a side of a man. The  
Is retired when ~~Es~~ Oth Es. ~~depressed~~ / kept Palmer up a Co.  
of Harrow of Oregon, on the way to the state, ~~was to be~~ ~~detest~~, & asked -  
vain sense of trouble's body, He left - was - & of cheer, "Stuck to  
me for of the P at the mouth of A.H." - CR - plus use of us on 3-4  
days to it. Betty Calvin an initial man SB; the party of the open came a  
cattle stampede, as FL & several feet 3. The Co. is with 1 a by was  
part of Sx, on a xped of the P (suspect of by the killer of timber)

at DC: 2 on party held - Bright - but sharp, the last line  
B was seen - the Sw. but "see see on B parts of hours  
as p. - FH - such R<sup>2</sup> at a plain old interest had in they are  
quite plentiful Sw is - 20 in of. ~~Complete~~ - was for part of  
except it's about to now a E to, "the chief road up - & stores the -  
than box at the place of his oval, they soon deserted." ~~at 13~~  
then in a ~~small~~ ~~structure~~ "a on land of deserted me sheep." the  
side it is in For track, Charles Ferry of the Sw., ~~the~~ ~~side~~

DB anti camp of Nature's wonder - maly  
SP (no date) - SEC - dr GR - dual 1000' high  
The SP - Ben BR. stroke, volcano plain - two ~~high~~  
Hualpahuco

Re Great Bas - It struck me that the Creator, disgusted w/ his  
efforts here at unrel. maly, had abandoned the job half finished -  
to give up H. Grady, the scene of abandonment [HGR.]

M parts of muggs - Digger, oiler - far black craters  
& the plant of the sun vein - or headless, row - Losses  
(in Creation) cut off. (stroke N an dent, case accord to Siem dual  
near Calif - Oz bandy & then double & sharp angle 5 to SocV  
at job near Vmia, when Lill Stupl maly - located, adds 5 to 700  
- to a 7

Ed. maly Siem - laty Siem & Canal ]  
Lan R - when Pat L' log color & small stock of  
staple goods - to Reldy's Diggers in Shoto Butte  
rest is unrec. Somato etc

J. W. Harris - recollection of ~~something~~ of or - 7'46"  
typewriter copy, 15 pp - WRC  
inc/ WSHS

at the end of the <sup>old</sup> piece is a note by Carlotta Bay Queen  
which begins: "When the actual maly of Hay & Brot was finished  
at possible I do not know, but I do know that of maly, my  
grandfather, with a full 2 books, ~~later by pub~~ - 1875 - 1876, both by  
gave "Settlers' Guide" for readers see my copy to ~~help~~

[Birmingham  
Birmingham, Down to Savannah to Fur Bona]

Harridon not get his eye when his family left him April 1 of  
Oregon. "and to me - in 25 - 26<sup>th</sup> of - Co. ... Or call to see  
we were found to be 65 (men) strong" with 41 boys & 500 lbs of stores &  
do this was dubbed "the Lone Ranger" the first report was the testimony of  
a boy in the swollen LB, w/ a man & 2 children who were "bodily strayed"  
by the cold rescued. ~~Captain Star was struck by a musket ball~~ A  
deer-hunter could shoot Captain Star - the shoulder. as to P B was - 0  
~~trapped~~ "it was of yr diffie we cd keep ourselves to attend to the team."  
at note eye was found - Canal - the shape of a half-man, face &  
trunk in the outside, & the gold placed out to of open

next up my leg to Roger. Said

The Arguments of Fritz Nung = Sam Recollen oth. Plan + the Digging  
of Don't Rohren Lessor. (Colchester Ohio, 1950) p 41 - 1894  
South Bond, Indiana - 146 pp. (3-83 ~~note~~ re on trip  
SP [Nung to St J + Lussini Rame, Calif.] [for Redding's Digging]  
2/22 party of 6 to South Bond, age 17-26 - 2 yrs, 7 yrs over, 2  
yrs supplied - (lots of literary indulgence that all notes to  
the story - maximum of record of bouquet products of - for other  
vols, & bags, tobacco + Cigarettes, vocal instruments [but also quills]  
man in incredible - the plan

St J - Big clearing some prop of long over - over 100, we  
checked of one night, our party clubby of us (890) "the take - 3 no man -  
holiday diversion"

5/16 pulled out of mine - to wood boat + the operation,  
hair-lifting song rose up in grain veins of us - washed to of 60 wgs  
daily square of 911 - a bushy code of rules - breaked over -  
hung out winter preparation - only 3 of our 6 other types

Coffee, Kappadocia + Bacon sketchily can to jump

Six yrs SP every - not > 1 day born

[Museum structure, out to main outside]

Other real visits - taken layers to expect - three transparency  
oth atmosphere - in stone skull down of their woodcut depths  
will of the work change

SPB - his pie sacrifice near corner of 30m in to upland  
BS here, in his rule manuscript of a helata had a repeating  
effort for a spirit, as - result of cury in had left behind  
the bluffs - treaded in to a mag of great illum - the P send the light  
his for the bed + swollen in - mighty flood surging to enter +

Pound FL [water - broad good form, no feel of immediate]

Re Bot - the city was hounded as a wilen relief of long-ctd ministry,

we had grow weary of 8 of roads, + signal of omits to show us up -

mean detour, 80 m away of NP after by FL - would

on ~~some~~ craft with ctal day-outo good top, punch + need of those who  
in turn used it - to P or Red Bata

4th Jul at 1PM - was about of. 'mean blocks' ...

wounded of original lodges + other roundabout, as if some mobile titan had  
be attempt to turn up to palette of the enter + fly to fight to the end

Kainville [Kainville to Willamette valley]

to Oreg - 1852 - letter of Dr. Thos White, LeGros CT Ill - F  
Ed Oxen O. Waltham + Gayle Thornburgh. IHS, Aug. 1964 37 pp  
pp 9-22 or at (orig - pp)

1) Quaint style, disregard of rules of g + sp - simple direct manner, clear & precise  
2) 4/19/53 Butteville, Marion CT 6+ - Kainville 2 m / m. r. .. such any the  
gulehze, 8 m up the Rivir of COs [Ed. Let met to Ts <sup>also</sup> the spot !!  
[in what relts say it + CO to some - an empty place  
visit of of our in meters (had 1851 & actual year)  
Unint. angry mo ~~was~~ mediate may | - at same PT) shut down low -  
then men of South Bend. would - to those & - area of the paper of  
Is, 6 or 7 Is had - Other than ~~has~~ things into by 6 holes: [medical  
farming - at small ch another doctor party of those hospital  
watches

mountain range

Best Carl at Wood River - ~~very~~ of no use, water also cannot mud  
paddles, Channel is too same, all quashed - to move - It can not be  
navigated & is of no use of any this else

And ft L. Lavinia 5/27 60 m, 55L of Ker - left 1 by + three  
any nearly all we had - found the Rms also up any it - Sean let  
"tant oblig" to go down to route a lumberman, so "I need go - no  
discription of them - details in the account for - also mentions

3) Binnit PS, The "maximum cut-off" Orator to left had - 15 m of the  
The road forks again, left TSL of ft B, on to culminated cut-off -  
For the ft 62 m on in T BR

Called in to be obstruction, for the rule of multiplicate 28 m -  
at Ben R valley, to ft Binnit road ~~again~~ repairs - 79 m another  
bepresentation of the Road, at had to ft B, the other to cut off - than  
60 to ft B - over 20 yr, over 20 yr ago of HRC - ~~discovery~~  
an of more ~~claternal~~ descript of the whole & stop ~~whole~~ pile -  
starts of south equit 88 to work west, some or of the of ft Lavinia

For L to ft 700 m - left then 7/4, the day of day, to  
Columbian sand - ~~in~~ in water power, many - fish -

Buffalo ~~was~~ antelope - Snow ct but had not see  
Damp of Am Fall, Fall Fall - 2 ft Boone, 300 m 62-ft HRC  
Abolter, HRC - milkhen R - Owl Creek Vg, 100 m of Boone  
Blue mt - Unkeller R - 6 1/2 m. r. - over Canal mt,

then the rule of "immigration" com due to just had of water - danger of  
at can Camie, with 12-15 m in mt wood, water of slum some

A New Road of forks of ~~the~~ Willamette to ft Boone [refer to  
Old Santa Road had over - 1846, in N. Calif (was timber ?)

Given 30,000 to Oregon out go - now near ~~Went~~ to by

✓ My Oct 1 105 yrs - Capt Hart \$10 pay -  
✓ Provo - 7 dies, ea w/ pay man, own styled jacket of  
Fifty-Nine - a Little SL, Camp # 13 w/ Barney Ward, can  
own 4-500 mi - return of him name

Day one of our medium, split - Capt Hart left w/ out 7 legs  
"Q/ in here that at a d, & knee" - Fahren; Bryson wanted -  
about at 'Pump', & here - other to v at present

Agony of their Agony of their - death

✓ Care of Capt Harris, He was quite elderly of rest of us,  
just-60 - his life soul to nature of soul - Capt A. Harris  
[He that he would die of star]

recollections of our Mt 7-27 of

L. Dow Stephens / Lys Skatun of - Jayham . 1916 mps pb 68 pb

Ill process

1820 gyl (mother's) and wq to see - father  
Richard Stephen, son of Samuel, to see of the Blounts - 5 child  
Young (me) b. 1827 - 72 see part of Co. 3128/49 (see Cph-Ams)  
When we moved Mo R. at CB, we had to travel over 10-12 m  
line - wren - in the morning, cattle feed - water over every one - and  
slow, one way - time, part of 2 cars, 2 men in one.

P 15

2-300 Ps adm - he, firing, part of white fly [no dots]  
Sp' after that, rushed to a camp of protection, but we needed the oil -

M gr

20 m of mtr (?) to logs of M ex cum of 1846 + 47 (?)  
No one there. Did v M gal book - due wq to see 1031 m

F+13

only 2 hrs Fort Lorina v Bridger - at for for 20 soldiers, v car  
Batter by Bridger on Is - while at FO pack train of Arkansas  
for - diff direction?

B  
Wolfs

any, of the wood pen, those of B, all heads to N - Some (5) of a boys  
any of the attend of bed of B mtr - Rangers - forgot when all with log  
as shoots had no effect or all - some of their tests - gun barrels.

NO woman

"Girls" were handkerchief and heads - one of 50 wgs that started,  
not one woman - 49 boys - 1 - 500 - (I wanted 20 gr v v m  
regretted to waiting) -

Is

Had cholera mgnep. of the party T. Larima - seen 1/2 day  
Is into camp ways. See the heavy or all x - man up  
false teeth in soil spine - B Chap over pack.

Lms  
LP ?

Optical illusion re distance - CR never reached - We signaled  
PP(?) 200 m any; it read as if we v m part it - fr. ~~...~~  
Snack, invited to their camp - v seen 4 years of ox -  
Kamran, dead of large quantity - ~~...~~ east division

Bandages

Been stand like cordant - one pair to transportation v ~~...~~  
I R: we were + 200' - DG, report that no one had seen found the  
cut, mo v one other, probably example -

Com ~~...~~ to camp 22 x - cd out city v Jordan  
Trade tea of vega - Ms had cloth problem, my ~~...~~, no supply 2  
2 yos, but had all the substances - women by men work - board  
with - reds - bluffs mostly of log - in center of t a ~~...~~ - ~~...~~  
head by pressure - ~~...~~, a ~~...~~ - full of danger; I wanted to  
see for her
