Diary, + remeent

George W. Beecher! "Freights on the Plc: ~~time~~ ¹⁸⁵⁸ ~~1858~~ | Cotts-4
Epps of ~~for his diary + as related to~~ - fr. - Ed of Julie Beecher Clegg
Manton, m of wh. x 11, 4 (auto 62) 2-17

21 - Mohawaka, Indiana - call for vols to serve as teamsters to
Cross plains of supplies [M war] - sort of crowd under lead of by Boss to STL
via Chi - swarmy drunken mob, Beat Marshall & an train to Jeff City -
When sketching you out, shanty became to pop. amusement. Ev inter to see
was shot out, Then men + trees along the tracks - at Jeff City, we
wandered about, shanty, party + Caraway. Not until late even when we en
herded into a more steam was given returned - again mob rule
at the disembark, quarter of R.M.W. - camp outside - money gone,
less drumming + rioting - to join to visit soldiers - board onto boat,
at the MC - now too sturdy men - another riot over breakfast
at the MC cliff camp, 30 men ea - a big mob Don Legg, assault
? John Manton - disception, no swearing, imprisoned, church services, hymns,
Sermon of the magis, Ed in - Bible (in road swore like profane), Ways

Wagon on hi on ay - U.S. - + 40. miles to Camp Flory of [Cotts-5]
NE Bay, almost wholly man - bready black - penance of
Caring man + struggle over, sea by a unit of desert

28 up - to, 3 up you are in, + 6 other extra - 32 men, with
4 extra hands - good in 30 miles - been of Army, too -
Rotten, Camp early, Lv at daybreak [not a day - based on]
on P - 100 bally mixed up in a B hand 2 that to whole to

go to sunrise - gear by hand showing signs of our camp - gr. chaos
Chaos, fury of guns, no B had but had cow + calf, lose 6 hand
cattle run off - with cp or Plan 2 - day off of B. but

Went late down to SPRV, off AH [?], a short det of J.R.,
at day break; Class IV - worst find - took 15 years to 1 up -

rule base on open base - Next day - steep + dangerous road of
AH

? at S's B built 4 pr. order of mine down on precipitous road
in dark - the bluff in early late found also a cup + we ed ~~see~~
see

The zigzag road halland out - to side. So steep that it appears that it could rip us if we + v came over it - road at wide angle of one up + had a narrow foot path - outer edge. A single wire-stap of meat certain deaths

Next day up to - by hole-bulge (2)

Dead monkey to IR - some by success to top, down

Rebellion at BG - some gear, seem no-accounts of top

Wor-shire land, a camp at last

It was not until we ~~got~~ came to FL that we left to

Lavender plains up to burning road + choky dust. + cpd of for time on back of our out stream, the road for us built of ashole hill but was not now occup of the troops. they had new barracks, big pit to Lavender Run of a few days, then on to GR

At Fort Buford heard at night of Ms to nice soldier of fort - out

Echo Camp - Obstruction - to Camp Floyd - at SAC man equal may + soul - Ohuley Fr killed Wagon - Echo 2

7/9 Good first creek of 8 water some we can see
HP - Case - says of the Chiny. many pie blinds

7/10 Went to A Chiny - 150' to where chiny comes in - not sharp

7/12 pool - old trading post [see Robinson's post?]

7/13 And Laraine Fort + first creek at major. Saw one w/ig
& then stopped to the major (pic)

7/14 all creek at major, went to Fair Platte to a house,
where some of the logs got gay

7/15 the Oregon Co. of Capt Martin's Creek to the last
major. a house at the Fort

7/16. a few of the Co. stop here to rest in the station, & some go
to trees. Left post to get at spring. 10 am

7/17 Saw a few Is at Fair, well dried; some of them just
rotted & were up to the house - try only ATs - SullC

7/20 mound - cross where Applegate Co. had COHS-10
buried a log that got rid of - up, we near Vargney's main str
to Laramie of goshute Exp to main Co.

7/21 Cpt - R near Applegate Co., saw 5 me and 1 seen. but

7/22 Paul OC, ss to cross hills in. Cpt where Sublette mound,
4 found no boot

7/23 but no 8 beauty, one up report.

7/24 hd me B

7/25 mound US, where Stewart Co. made nest - B but

R 7/27 Str of 1 Co, result ten or 1 Re, climb to new scenery

It is lay & oval, & appear as if cemented top of cat skin. For the

rock is one of welded veins of material - see 3 eggs, 120 up,

7-800 mile - B - distance - supply r.m.s

7/29 Both Co - v oflet - hunt

8/1 Vinying Co can up - checked me out in Cotts - 11

8/3 Std hunter of Seminoe [Houk also?]

8/6 epu - Sw last time

8/7 Can up by ace to OC - Noland - summit

8/8 LS - airport Co. can up (1/9)

8/10 Owl GR (2) - sand & sage on hill left Larkin

8/12 Blue. Fern, pul Salomon's temple [chuck Butler]

8/13 Owl or Badger & Vinying part - D & Chag. had been here,

run - 11 ace to O, had 3 snakes, other Co. huss

8/14 ace to Los Canyon can up, may do not know when to go

8/15 Wren is pilot Chalk to Point of the Mts - Calif

8/18 BR - Owl hunt [meal time to dinner]

8/20 Hunter - up 300 (200) dead elk meat -

deposited meat to whole of it

8/31 Wabun, Houk et was about 2 trails of Is
+ Houk + Wabun - l then go to Ft

9/1 mt OCIS trail 9/2 down BR

9/5 Mtn rd 2 Beavis

9/7 Solo Spiz

9/10 Eped in sugar of lg v in plain ch in SRV - dist 70 to 3 mt
clipping to rise out of the plain below sugar do s/s

9/11 left Co. old of Ft - level of square cases - w/seri to Ft

9/12 Chile's tan can up ~~up~~ no mist, flow in river - try v
Cattle here lower low fall, v water in stream up up with ho low mist,
Francis has new ^{from the} SL p. provs; is early horse meat. Chile talks
of by his up, v packing them to Ca

9/13 Fitzpatrick is to bea today. Call on - quantify to know how
they ~ 88 to Ca

9/14 Chile bot 4 bag cold yeast of chi ~~fruit~~ l rot ~~town~~
~~town~~ Houk + Wabun left yeast of a gm

(COTT3-12)

9/15 to 9/16 Chile appears to prefer of those of them
w/ him to Co. who v m trd w/ him, then D v Smith v myself, finally we
col y w/ to us, so that we / pay sum of the pilotage - in case of ch w/
part of v local purchase to repair - - v old of Oregon, not of suff pros
to go to long way w/ to us 9 of us - Co. expect to overtake Hank

2 - 3 days - and Portney

- to Goose Creek (?) - 9/23 to head of Selma Falls

9/25 down to SR 9/30 and off the Fox Base - 1st OC had bot
all that M speed, v many of co. almost stalled

10/2 Co. gun - look at 7c, v divided equally to three of Co + 42
vaters to Rice, Smith v Johnson off to Oregon. - Chile answer of us
to go thru w/ him now, after ascertaining we / go w/ to us; but a number
of them have to route, v then by no gone - to it, we that it advisable
to go thru to Oregon

10/3 part of 2 ps of to Calif - cp - Malheur R

Reddy of N.O. one of Calif Co.

ditto

(COWS-27)

Inanna Robert Lynn, "Freytas to 60's" 265

1st trip ac to pt (862) we stl oin 8 up 10 hour of skelld con of Govt
& in bond of FL. And mid at Plattman & local or NC

Miss Stocky of Ashland we y Boss. Transit in job. Alen tuu,
John Dayberry etc in we in jail 125 "bond pm"

Crazy SP or JB "off the s-hills we had to put 7-8 yoh ox
to a y, 12 up

at gl we got eyes in the Rockin... 100 m off... other "not from" (?)

40 m up with hospital & CHX

We pulled Salt Creek at Ashland

Stomach some in Frey - blizzard - from Caution in c-jus

Why sleep heavy of - ox - warm - / wake up if started

Cramp in JB - 7-8 yoh in ay, 4 up in had to walk across
up in load. thin mush-ice, chunks of floaty ice - to airport.
walk in 9x

One of his beliefs also NP. just by way line, could
up B Com & head W' deep, & 15-20 and - we in fact not.
few things had he found them

after unloading at Fu we all went to Ova of denture pay -
stay. In process of being - bridge over Platte or Ova 73 pd

~~The~~ I did buy (66) 2nd trip, along w/ my inventory .. by
6th horse team - butter, sugar, coffee, tea, 3x, Calumet, Coker,
Catsup & spices - I went on for - F trial & varied 66 pd not proper on site

Butter had to go first

at about 30 in E Fu, I stopped ~~at~~ my team,
stopped the 30 rods of tracks

Detained at Fu of I has - wait of 40 up

Ft trial - soldier drunk - left 1/2 hour to Fu

at Fu got a up 17 team by ~~hand~~ hand - and saw C
and Ashbel full, more on P-mounting pay

Reck'd 7 hrs for days, get cargo, otel in 7 31 tent
 on my own back hook job (66) - trunks, some & of eggs - but don't
 not clear > 1250 to 3 pl - set Runtin / my, need hi flood
 the water 15 miles

Ditto

C. B. Hadley, "Plans for - 1865" 273-278

Pl trip Antrim at in 1862 - st job -

no bridge after we left Numbun & Nels

have road but not yet & up for, but - 63 McCoy - job -
 Chute to build bridge over the road by letter of ranch & obj also, they
 then hand out & speak in the letter. I was employed there 3 months,
 I had first into a tall road - clear enough to lay first-class from
 then freight from to CB & O till '64

I route late '64 - I was then of our CD job to Dr up

a load of apples he / made. big tray + extract

1043 - 30

So I got - lying 3" up, open 4 yf part made - ~~boxed~~ parcel apple
in brass. 17/65, and in ice at NC 12th, got to
Fu 17th - went 4 days to 8 collect

to pulled over Fu 1/22 - road swept of frozen, they
burnt bread, rations destroyed. But Govt ~~was~~ ~~not~~ ~~at~~ ~~all~~ ~~on~~ ~~mind~~
ports 250 m, & ~~to~~ here put hay 556 c lb - & 20 to
hauled enough of grain for them's - Jan 2/2 - had for 1 in 6

order to stop. Could of up 100 yds NE of post, the IS
had burnt Archib's name - Fights to 17 up 9 m also for 3 days
by, & had of time over to London

to up the hay at only to Bulain name. in E for -
one of 20 vols - from 4 Fs - bullet proof on corner
of each logs - 65 preyts, c. same # soldier - 4-500 IS. the
segs and. 104 - last see 4. It is complete and, ditto

C + B's name. Entry in destroyed book to lead (Cots - 31)
of heavy tent I loaded

Next my attempt to find out via Army Com & of OV Stg Co
On the 5th we pulled ^{out to} on - found details n. steel smog
& rem of Foster up

Is had all your notes - after \$20 on 4/10/50 day

Calculated up to page of NC - on \$210 of trip

NC 3/12 < ^{tax} amount 80 in E On

For n-men not build out made money of - water
64-5 got good estimate mid posts ev 50 in ext Fu + w up,
Calc to soldier + coming
