1852 - Answer G. Henry | original ms + + + - 16 pp
 Journal of - of - of Oregon, from 1852
 Springfield 1851. & acc'ts w/ Dr. Henry

4/6 Started of Springfield - See a m canoe for I m'd where we'd
 purchased a Teens - remand - camp until 5/6 when we left

5/7 Arrived to Blue R

5/8 Bama - Q more off top up a pond

5/11 Wacharua too hi to find

5/13 found over - canoe

5/16 To secure our turn - Cross over to Kang's

5/19 Grand B.V of dety n up down w/ ropes

5/22 ✓ 130 - blocky up n beds

5/30 Cpl - Platt [most extreme quite bring]

6/1 Paul Ferry

6/5 Cpl - Oak Creek

6/7 Cpl or Wacharua find - trail to find to find but could
 not & decided to cross at lower find but find it deeper than the
 lower find - 6/8 - tol 18 - 6/9 20m

6/11 Drown 10 m to find, end over - find was deep fill n
 w/ beds 1/2 gals but we had things a leak & did not see
 anything wet to hint

6/12 Drown 18 m over this side - T act

6/17 to CR - 2 SB 20 to mail station, 30 m today

6/22 to FL - + 8 m 8 Cpl - BHS

- On cedar - L. B. B. - Red Bank C (2/26)

6/27 Lopez C

6/28 strong P. ajani - on 2 m to Deer C - up 3 m,

8 camp. n w n 8

6/30 g'd camp, Parson Taylor - to M. Perry

7/1 came to M. Perry

7/4 to IR - D

7/10 SP [detention, Al. ed., camp. id]

7/12 Now on the road of pass of shanty to ~~detention~~ Desert
 of 50 m - to another cut-off - BS

7/13 Perry CR

7/15 BR - hill down steeply yet - near 4 days

Edward Kitchener, 5/14 - 5/20, 1852 [m + +]

Jane F. Keegan to James

5/20/46

3 in W. Canada in Case & above 1/2 in E of Larkspur area

We arrived here. yet we were met by someone called J. Col. Ruple (?) of Mo. County of 49 yrs. They were two boys. Gf. & a the same Gf. but divided + 21 women or female septoid ch. used to be Gf. mo.

3 distinct Cas of Calif. in all about 120 yrs - more or good as my family was -

Now - all my life I've seen a man bear at the that ch. was a paul than on in life mo - it is seen in the best land in Sonoran - & so bear with the - in ch. - farm to suit

X

++

Col Ruple of Mo - said a A glad to see me along - admitted by my 9 yrs - see page of best City of Mo. - I am apt your - mother will not stand in my way - a few days will do her mental career.

the 1930s yrs & James in about 2 weeks
the Calif. Casovan in the County the yrs - 2 to 1 -
form of Calif - 3 distinct Cas of Calif, in all
about 120 yrs

Charles Wells to Joe C. Bagley 12/10/49
 Feather River mine [in Bagley file] Open us letter
 will own details till I get home - Our trip
 was anything but a pleasant one... for most of the pleasure to be denied
 of some of our size - We in fact by a dispute thru all cut-offs
 until we made a road about as long again as it would have
 been... But one death, Squier L(?), He was sick about of the
 time we left mine, He died - Pitt Rein, there was other sick
 besides, got camp fever; We came into to v 10/14
 in to a mine 20th

We started up pros of 6 mus + in 7 months road,
 GSK 7/25... found in luck not to say anything about his getting
 lost - a C. filed in the car of a party - not fully in by out
 until the next day - the Remulla Bay are scattered
 all over Ca. - his father is here - Simon Doyle
 in camp, his tin of blue '12 love acid
 PS of him Luani

Jonathan D. Newlin letter, original with
 to Lydia Newlin elect Camp CT, Ill.
 - April 18, 1850 - I + hearty - we got here (?)
 on the 11th. We got on midland south part of Santa Fe gold
mine camp, when some came in with a tree - rock gold, so
 we got here too soon by 3 weeks - we had - a
pros - in San Louis + put the about - start, William
 Newlin went up there + the were all loaded up -
 + the can seven persons he say they was out last year +
 the say this plenty of gold + some of all you would see
 Astoria too see the green number of people there - he
 of California

For Loring 5/24/50 Don wife + children. I take the
 off to in your your that I am well + I hope the those for
 lines will feel you all - the same state of health -
 we v. on in the plans on months to the day we v. had good
 luck - the plan - we holiday + his co. got into in -
 south flat - last night there was heavy thunder
 a head + the road is full of mud we v. had a pros of
 the rocks mountain - p. Miller no. 5 beyond

We left on Aug 1 & took another 4 or 5 too heavy

- 7/25/50 California frontier Eldorado Ct - of mountain
pleasure & gratified me dear wife. I now take my pen - had
to return to you - as well - left to the mission 24 days of
April & got to good mine on 23 of August - 3 months + 3 days
will give me my trial - 6/ - we got through through but to daily
curiosities that we saw! - hope we - of heart & spirit.

We no very bad accident happen to us - we had - party of traps
til we get into mays a humbol then we could slowly a to
Ellephant for us had to wait ward & down to at every with my
& now to give grass - - packed they aft. 1/3 - H -
don't overtake Sir Nevada with rough road to home!
We are alle together on one bar on to sent for American river

- 10/23/1850 - California I a used & see to visit you Goya
6 m W Nevada City

- 5/20/51 middle year Yukon Calu - Frederick Newell
to Lyden - painful duty you would in no more.
fatal blow - hand of cutting down a tree 5/17

- 3/1/51 James D. Newell to Lyden

Original ms.

- 1 > 4/13/50 Jacksonville, Wayne Co. Ill - Dear Mother - you can hardly imagine the feelings that possess me... I think I shall survive the trip
- 2 > 5/8/50 Weston, Mo. - Dear Father - and here you about 6 other Mansons
we left SL 5/1 - tough weather - broke ground - still there a few splendid fellows - since I left SL I've kept a log - since Es started 5 weeks ago I'm low for 10 days - 2 weeks yet - small job & inside
- 3 > 5/14/50 camp 5 mi of Weston - To camp, where a xpression of Gomer
of Weston elephant & Hall - hacks - to church 2x - Diothra medicine
by bottles by one of them - family up Es of Peppin go rebel me
Weston 3,000 - FLV opp 4 6 mi below in IT - v. sim 250
animal a train - a 4th unladen, to cross here or at 5g -
1 ma deal of compute - one old paper worth 60,000 - at 44 v 830,000
invested in their express train - his decision we was to in tomorrow
- 4 > 6/13/50 Camp near FKey, IT : left West 5/21 - v. we we v
found hundred of keas - Gomer (15th) w/ sample set out to FKey,
but not allowed to enter, by necessary - the IT is to have been at
QV even other, work of timber - fine road
- 5 > 6/16/50 en route to Ca 30 mi E FL - Dear Mother - we v had 3
death of cholera - 1 of Diothra - an - recn of A dvis - needed 130 L
20 mph and poor grass - v had to camp at 3 mi we v had 20 L
40,000 Es so B chips are scarce - It takes 5 bushels to cook supper
& kept of it - all kept up cooking - I keep a guard
Cape Wood of QM back at FKey, but unable to see them out
of my sickness - Wesley has friends at fort - McMurry & Strothman
express line has broke up, make all broke down, & paygo are
footy it - German Homan + Smith, proprietor of another express
line expected to lay in a supply of goods at FL, but find they could
obtain anything - so now I v to go to SL of some supply or of a Ca
upon 1/2 rates - bread, sells at 4/12 g - bad water
and wind a sand.
- 6 > in camp 8 mi E FL July 6/16 Dear John - the Gen recd
replies but have I allow him to go to the or left him up replies he
any probe of passage money but you to by cover of at last, and
Hann, 3 # coffee sh, exchange 4 man missidly trick - at camp and
2 other spelled to stay - recn of to 10 days - the Pa renewed to
Rio Grader keep wider - prices, pea : Blom [mostly in italics]

7 > 8/16 In camp 8 in FL en route to Ca Sun aft - New water
 One water - Buggy, wind rocky in [repeat]
 Raining low but likely to recover - lost season cholera - Royal
 women and Es. lost both to L they are other parts of the AT
Am to plan - lost some hands - case of cholera - NS
 - who died first when Felipe her ally, son of Col. Allen of Plotha
 at mo. in ita was Walker, son of Col. T. took chf of his sons -
 I was taken suddenly ill. after water or FR, vomited nearly all day. -
 v had lots of rain - our mules v already gone out, they covered
 break - Hall knows nothing at all about it - whole to a school
sharply - treatment of sick, try one rough gr. - v had seen cases
 of Is v saw truly also - Q was a 7

8 > 8/28/50 ~~from~~ See City 8/28 v on our way. 15/21
 until yesterday - left to 12 days ago ES SN. - partial them - they
 in badly fooled in train well some chase in long here - my v that
and v return of next stone - I go to Buenos Aires in 60
 here some after my boys and here, a heavier to 8/21 -
 is for mules other than they are per day - I / also no one to
 come to the unless they v capital

We had v much trouble in the fl v I do want to hear of the of
 mental again - v to my not near here of 10 days of it as
 into are also signs of up - at some snow 12' deep -
Desert of Sair of many R to Casa is a couple - v wind of
500 up left v buried in it - I come of First Hall
 v Subjects are all

9 > 9/20 Buenos to Don John - v up my Hall's person and - co.
 of 30 w/ animals that may go there - met Bugsy Prickett w/ Procs and
 4 or 5 mules - he took and of a co. v took us to the Soc. up to
 his animal we had plenty of entry v Alacala v Hall deserve gr praise
 for v put out to beat train that he ever a process our will cross
to Plans - we who passed in 98 days - when you get to Edin Bona (?)
there we had food - and of each day for - Hess Mage Bellevue
 v a number of Mexican eggs - you see chf of some public
 animal v \$150 per

10 > 9/24 Buenos to Don Juan - 98 days of water to Soc C -
 when I was to fly a 2nd time that all else to time to see I reveal
and to earth - Gs, death, rain, hail v also are you own - a x/-
 and today of the Pls say of small relief - chol v stoma - Bonita
 of your animals all when - [27 items]
