William Waiver Anderson, fr Stg mo & Reg City, 1848
ms in pp km km - Corvallis, Nobleville, Ind. (in parant)
Each page typed in 1/2 of ms p. - Interpolation of Anderson apparently
wrote - 1891. - Diary, 98 typed pb. 49 diary pb

4/27 crossed MR at Stg - I altered my course . f. Oregon
4/28 to Murgate Creek - I collect - weather closed up &
raised to hill. saw a skelton (I took one bird f. relic) (see of the
girl in a co. got it any f me & I never saw it again)
4/29 passed S gates co - below of a co. came up
4/30 v no offer elevat & a - a log of down - Is smoking, and

I

5/1 Full Isaac mill: ox - land, yoked up a cow - had an I
captiv loose - I see Is on the top of most very high water f unit lv.
They soon devoured the dead ox - up in open Prairie life wood -
Stampede caused by noise of basket of tin dishes kicked over & a girl
falls a the thing, was - 3 presents of our big camp, never
tried that again.

I

Stampede

5/2 cp of water, saw hill
5/3 Storm - not - dry throat a man
5/4 - 5/6 - Cleaver loose yoke catch for log the - yoke,
& goad & other cattle
5/7 5/8 - met a km back & 6 other men on their way of Oregon to
Washington City - Cyrene Is at war w settlers - try to get a amato
they had bin 67 days on road of OC - had to live a male flock of
They came with B.B. - B.B. (G) of child f language.

X

5/8 - 5/10 - 5/11 LS - 5/12 B2
5/13 up from y blue river - (G) dry up, brand corral (Robson)

LB

5/14 Isaac owner nearly upset w f that reports w
5/15 5/16 met party much charged PIs - we stayed & heard - talk
& gave them our presents - they followed & attempt to steal several
articles - mass miller knife - we used a ox whip on them - 25
they later came galloping up - & since they had a bottle of saw Is

Is

5/17 to PR - g white in place of salty solution - grass salty
5/18 - 21 - Stg

5/19 had our to know about width of rd as I juled off w parts
+ walked to opp shore - max 3' deep, 2000 steps across - the
most regular rd I see saw

PR

5/20 5/21 5/22 5/23

5/24 in cp acci birth w. n. co. - hunt B. sh - full
11 herd cattle that co. by no herd lost, so we took charge of them

B

5/25 Numa B. path (buffalo) to nr 14th mile, 1st 3
miles deep & smooth as tho they had been cut w/ a spade -
met owners of stray cold egg base to hunt them - returned same

5/26 to lower crossy - keep 58

B

5/27²⁸ Numa B - try to ambrose B of deer nr ... got wind of my
& hunt back - saw some nr - the 12th mile C. C. says back to
your n. co. to FH - granted - now 35⁰⁰ eggs, 275 cold, 200 sheep etc

5/29 to crossy. 2 teams to my ... back one by try

5/30 20 m to NFP - passed through air hollow

I

5/31 passed a saw i. v. 30 lbs, several and as w/ B robes
+ moccasins - dressed elk & skin part to trade for flour, fruit, meal -
bush tacks - invited to their v. - went into lodge of chief behind wall -
sat down - a circle ... smoke pipe (w/ cedar bark & tobacco). + passed it
around - do (damp of lodge)

6/1 3 wk trader started up us of to put, had eggs w/ B robes

6/2 Sping Creek Creech - cp of Solitary wall on east house near
go my window & down - smells outer body - mother in

6/3 cp of ~~er~~ cr, deep stone 350' - 4 ym boy, 2 girls called
we / talk - walk to the thing, base of down, would 6-8 miles
didn't go to see any more crs in p. n.

6/4 road left nr - a trader Barkow

6/5 over sbs - Scott incident ... bones of animals full - top of them

I

6/6 6/7 over a coffee in some scrub trees

FL

6/8 for larvae ... up 1/2 m to go - 1/2 m below is some of
oed for John here Barkow & his men stopped - cp men full
to v. n. w. says it repaired ... omits not about so I went - to ship
& done what was to co. wanted - sped onto road to Barkow
trade try to lighten loads - at ~~the~~ a go done

6/9 to the chd e.

6/10 lower house due e

6/11 to hills of the plateau - water near the w. road

6/12 big timber creek

6/13 maver creek

6/14 6/15 deer e - (G) dug up & ecoted S. T. ?

99

6/16 To Crossy - (G) of man drawn - Is had noted his (G) as usual. - there was 6 men here up a craft to ferry E3

6/17 all day + the night coming - found sheep + eggs - 1.50 pig - couple two sheep sheep - raft - 12 eggs aspartate

6/18 massive spr. - (the B. notes indiscriminately - "a mass of" lypshon plain of the beam, wooden + ructures to feed in - drawn cattle up hope land

6/19 WS

6/20 Soap ~~man~~ mania

6/21 west watten + in, easily ascended SE side - cord of un- scriptive two names, dots - black + red paint - levels gate

6/23 by report of low + high noted over into watten man of them must hunt but pretty badly scarce

6/24 and run into - saw the white tops about 8 p.m.

6/26 2 cos men of Oreg - packing to the station - had divided open about it

6/27 on SW end of tralen of arkansas up coal + iron to trailer to E3 6/28 over landy red into Oreg hunting - PS

6/30 BS

[detached at + tops

7/1 to all night

7/2 IGR 7/3 most of day = crossy, did not meet M1 pig, fast - place to find (!)

7/4 5-6 hours from 1/2 of angle table

7/7 BRR 7/9 fast Smith (per day in canal) - dairy herd - butter + cheese + butter part

7/11 6800 (in a lot) spin

7/12 to per here - south bank in no. 150 - 200 yd. of river - stop of rapids - at Portgate 2000 Cos waiting of rapids for the Cyng et - now 50 and more + 35 logs

7/16 Gots G of 25 logs 8/ + some root

7/15 Can falls - man of 8 am - trapped 25 in run of over - canon, + but one make his escape to keep the river

7/19 Canoe - hard to catch to turn off

7/21 solon falls - is safety food

7/25 to left camp SR

7/27 celebrated and to cross to river

- 8/8 Creek called Onwaka - cp on Fort Boise - trade
 - 8/12 ~~to~~ Government melken, linc, ~~on~~ Govt C
 - 8/16 ~~to~~ poncha on valley
 - 8/19 Blue mt
 - 8/21 Open overland say hatched to see on Govt into mt
 - 8/22 unstable - cyra up - mt - addn of Whitman sta
 - 8/26 part of Whitman - to get Day in
 - 8/31 de-chute in at the top of Columby - is done on night
 - 9/3 Barlow's gate - is stud up for us to take fall - to
- pay him if only to send him to Canada mt 35 up, some paid, see you the notes, - other down right along up of Eite
- land here
 - 9/10 Walwalmitt valley - habits of Civilized man
 - up under top of St Joseph - 4 mt 14 days at the Fort
 - camp, cable, population - have 2 guilt heavy of
 - Now 5/31/91 a/ta 43 yr & that I & water of many some
 - of my up + down in one - my trip to Calif St 1849 [p 48 mt]

Copy of letter of S.M.
4/3 Copy - and have last note - Judge O
contents of Captain to take in a stg - depen of sp

2 > 4/9/ SL and the my + xpec to lv to ev
 left Army ev 4/5 - James Milligan - 300 Ev of Ohio
 death of 16 lab in flatboat, working
 then 12 for live Cas on the boat, who left Sa Fran
 on Jan, & on the way back - say had rather cross the fls
 than go on land by both ways as hardships are on of water
 than of land, they of the boat - no by of Ts if well
 and

3 > 4/10/ St Joseph - and last water - Par. Collins live (or ill?)
 I not have of here - find some here
 Our 8 by trip of SL ought to be part, but it was
 televis - oambars, shops, well -
 No gran - may not v any if weather its cold - on
 boardy at a very bad place
 Some pedic 100,000 the year - Capt R-Will + fine spirit

4 > 4/26/ St Joseph - many acting, including Forster boys -
 they all invest rooms - boardy - on top cabin 1 in below
 sg - all cook & sleep - some room - W. L. - coffee
 bacon & potatoes - Gambly shops as called "wheels"
 soulette, para, chine-e-lucien, thimble, munt - ev pos
 men of gang

5 > 575 Wier Ct, mo (Noddy run better)
 Lopr sg 4/27 can 40 - I put in OFR, when see
 the goat team for FL jump to rv - cold - Amester chose
 to 41 Henry Dahl - Ada Wiel - Henry Bumett

6 > 576 della? ["Camp Brown" 2 in of Noddy, + 20 of mo.]

7 > 577 Camp Brown

8 > 578 Dela family, Amester Ninehan Kevin
 letter for us from Delbert - had to dig for Banks, 15'
 hi + about ship - 17 km, 75 m
 ? And to me at Hank's Ferry, 40 m of OFR
 2 days - Jan of OTTO Chief Cann of 112 Local Boys as
entire - collected a an some of part of party - of - WC
 Ev by - owns only some boats

Left Noddy camp 13th - of men ~~Jack~~ Jackson to
Get Davis & Sign Green - live torries on end -
Few up found in ~~of~~ Ory

9) 6/1 I.T. 12m below Fk on T. Platte

OFK was 60 m above where we found - could Salt
Green, took one day - follow ditches - prof. meadow of
gr. grass - but to OFK road - Hume above
 5/28 crossed ash Green 2 m below to pit (?) up - bank
of Salt C - and it is "Luisa," boat belong to Ogle
Robinson, 5 hrs - used log rope - loady on - Boat -
Wegman run into etc - pulled of hole - other boat - a bit
Certain abolition of frame fire, Govt ~~contract~~ contractor
at Oak Grove, visit of PIs Bessy
5/28 with PR Bottom, with 4 m of AV

5/29 Depth that 5 team to 3m check pond of 75 -
 100 Is, wild sand - we advance, peace then all - ~~no~~
 rescue Calif to, one belly for hour and

6/1

6/2 - idea of Camp, etc - There is not a better
or was natural road. in the old. The same length as us - had
since Craig to me. - both to . tanks, not so hard - hot
along a bridge - wind, so no suff - heat

Ill man made \$75,000 - Calif, now I see of pan

6/3 me 39 - (-7000 yrs - better ed they say by
to Q v seen - we v make better than the make than - v axe

10) 6/23 6/23 5 m above FL - SF PR (NF!)

6/5 cholera broke out near FL, 6 days with other party
 6/16 drownd at AH - CR 6/20 SB 6/21, 4/ Lasania
 Peck - new - and LF 6/23

~~6/13~~ 6/13 crossed lower crossy SF PR, 6/16 was
at - very 5th m - dgg of cholera

11) 6/24 FL invalid are better - Robinson Ogle to F the
by up a letter

9/24/50 1 1/2 m E Hayton - in xcal health - Ogle,
Latham, Wheeler + 4 other men - 41 men, 2100 ox -
by 50 m back, cattle & recruit - had to Chris Lewis -
Ownership now a puzzle

Capt R. Lane - chief of m 8, 9, 10 days, to Soc
V would not have to 1500 m, V slept - tent, up & out of
doors, & down - sleep under pine tree - worst m night
by ev crowd - the snow - Civil Guard Desert - m 3 3 1/2 km
- enough dead animal to bridge - soil - property loss \$200,000
other things.

We V stand out if we had not gone to SEC -
by 1/2 m to piece - shoe had to butcher our cattle -

X

9/19/54 Mrs. Ann A. Vintner, Rachel, Adam to Charles
B. Stapp, Cooper boys

Remember 8/20 re jackknife of white A.H.U. was made
the first in main take of Latham written by Joseph V. to his wife while
on the trip, they a steel in the pass of her face; other suffered by
Dr. Huff.

12/12 which Alvin H. + Joseph Vintner -
Other include Crocker, Lamb, Henry W. Puckett, Melvin, Starbuck etc
this party left Fortuna City (the report) 2/30/50. Four
died by reach Cali - Alvin Lamb, H. Latham, A.H. Vintner
& last Samuel Curtis in SW Idaho - Dr Huff has a diary
written by Puckett - w/ graphic descrip of A.H.U's sickness & death. Dr H -
expects to answer) unless soon. He is reply re. of to town

This info taken of A.H.U's father Bible, Alvin H. was
born 1/3/31 - He died 7/2/50 in BHS 100 - Royal FL -
Father has good pig - & I v me milk of it -
Relate to O.B. Vintner of Charleston

Original ms not - journal
my diary of my trip around for Bellevue Ohio to Calif, 1853
J - C - R - , Captain of Caravan. [some smeared]

3/14 start - on Conroy - Watsa Hotel

3/15 roamed around town - saw Lola Minter cut up

3/16 - walked around w/ books

3/17 - bot whiskey, gin, toddy (?), powder, wagon and - made
contract w/ steamer Wilmington of SL

3/18 - 3/22 Std on Steamer # 3 f. Louisville, of
splendid boat - oysters, ice cream etc - fare to SL \$10.

3/23 Saw Ten kg giant 8'7" - St of SL - Gen Pike

3/25 on SL

3/26 Board Ben West - I had the lines then my line sixty

3/27 Lv SL

shoots redbirds, meadow larks etc, crows - passed by
Fanny Sparhawk

4/3 and Winton... I put the camp 3 hrs f here at local vineyard

4/4 settled all co. affairs, commenced loading

4/5 went to Kichipoo nature - also to Flv .. return

4/6 to Winton, bot a telescope - bot horse \$125

3 cows bot cattle, 10 head \$345. - in all 32 head w/ Crowell
AG Sharp + Wm Sharp - whiskey + deer dealing

4/13 tiny yaky steers

4/23 to Winton - made a bargain w/ Sam Slayton + Robert
Wittman to go to Calif for their board

4/25 start of journey - Winton Hotel

4/29 Crossed river - some cuth jumped out of the boat

Stayed on the Nebraska side

4/30 Boat over below of cuth - to Flv, camp nearby

5/1 Stayed out rain - with pot

5/2 start - some Kichipoo Bay money - to river Strayen

5/5 (more rain delay) - mud road

5/6 Crossed Grasshopper 2x

5/7 Stampede or mite

5/8 another stampede at mile - bad bridge over nr Strayen

[Tough - wellia]

5/11 passed to 5th junction, VE dusty

5/12 and blue river - got gas/idea - had crane

5/13 lay over our sickness - cp

5/14 Crash by Blue - a fight

5/15-16-17 rains - another

5/18 up LB, coal 5/19 more quarrels

5/20-21-22 - met aa trudy team - around Platt river 5th5/23 Went to Ferry - tally was kept of the Esau, this day the most logs were supposed to be 400 - cp 6 m of F

5/24 - antelope, had more - lots of B signs

5/25-26-27 no sick

5/28-29 - man had yearly B heifer

5/30 - found a good place at fork of Platt5/31 - visited ? train, music & dance6/1 - rain, am at good place at 12 m, stone, log by6/2 - lay by again - log mill by + antelope, small Cookin' more6/3 Crash well - up to 4' deep6/4 took cedar wood a board went down vs steep hill near Ash Hollow - was sharp lost F. Ross lost - cp - the Gotta of the north part of Platt Platt river road very bumpy6/5 - Ross part - fell a chair B am ruin - McClure Co. of Delmar6/6-7-8 was sharp rd = B - moved off CHR6/9 - K. coal 1 m old - went to see CR a gr car 250' - but few rocks in it all clay + coal - I engraved my name on it - Sons6/10 cp 3 m of S. B - Is got ahead of me - B - got to Spring noon - cp - horse clean6/11 Saw Mrs. Allison's grave [E Home Creek]

6/12 cp 4 m 1 - FL -

6/13 went to fat + registered our name p. ferry - 36 tons ahead of us - a jella blue after - visit all to, had dance6/14 we put the ferry boat took up by the only officer - was obliged to register again, this set us back 3 days the + Hansett Dredger visit to Fat6/15 Lay by 6/16 hauled logs to ferry, we had to get into a mess when we loaded a gun all passed

off very quietly fill C.O. gave the ferry man particular here.
we heard 53 Is got kd by the soldiers last night

6/17 we had a very funny over last night - crowd
a catl the way - west by way of the fort. - to up hill + d. hill.
we cp near a trading post

6/18 warm sp - up bal hill - Bitterwood C

6/19 Horseshoe C

6/20 up o.d.-hill - La Banta - red hills

6/21 ox-shoeing - La Prele - Box Elder

Deer(?)

6/22-23 - crowd a rt bridge - pl 25c tall roads
 had 6/24 - lay by to shoe oxen pl pair 75c d. oxen
 x3. 1 use of the frame

6/25 detail cow shoeing - see mt sheep

6/26 - bridge toll 37. a nice big bridge - can Platt

6/27 Professors wife

6/28 Fuel Dr. G.W. Woods's grave d. 6/10/50. f-
Melan, Ohio - 1/2 day out, when we first strike Sw
part IR.

6/29 fuel 00

6/30 oxen shoeing, try a gaty pretty lantern - Fulton looks to
draw down to no. I could hear in the barn

7/1 McMinn's + Peter took up 4 horses

7/2 Ice Springs

7/3 Supplies Creek [detour over his water etc]

7/4 have sage hen - lose powder horn - a head of
Sw - H + Cs had a party - drink current wine, cherry, berry
egg nog - must get drunk - spread heat all night

7/5 - gold prospecting 8 m N PS - SP 12 M

7/6 - we v take to new a left hand road f- PS T SL

7/7 - BS - Gul crossy - 4' deep

7/8 - hoss run away - GR 1 pound 4 - Hay Mummy f

Ohio crowd by showing horses across - 85 by 50c horse

7/9 found a person with no head attached it was a

Frank Spaulding's Letter, orig mss, San Fran 1/25/51

[re trip 1850]

By the time the Ca bubble has pretty much exploded
our trip a great speculation - 85 days from Ft. Gms of Ca
12 of those by Sabbath did not tr - never sev. sick - en not
find by the Is - had plenty of provs, + brought them one of a 2 wgs,
+ 11 out of 14 animals in total - most suffering occur after we
passed - Deaths of at the so many I had to be up one

I give a single ct in Illinois for all to ct but the
Wister Bowling of mo + to S.N. - to be sure the I ten is total
fertile but there is a gr. scarcity of timber, + once west of that
ten, seems abs. of nothing.

then a fine fertile spots... more oases - the of desert wash
Can you imagine a no cross of it

... Come by any other at the across the et... and to Home,
across to Isthmus or thru Mexico

As to wealth of mining, for ev are mod. succ, I v see 10
that you have area of laboring men & do - Sts - a prof. lottery -
thruout unable to return to State of want of means
Diff outlook for those by to stay & work - heavy climate

"An Obedient J - to the Purvis Ocean 40 yr ago", Amara
390 - 396 - re Astor Xped.

Juliet F. Olmsted, 241 -

The Foster Family, Calif Pioneer 1925, Santa Barbara

A Biography : by Herbert R.B. Olmsted

Reuben Shalton

Orphaned Days : me born NY 1814 - to + Oliver
to Maria - came Reuben Olmsted - married 1/41

The Making of Silk : 1845 Bro. Isaac married + lived
a his a old side days, Maria - 1849 Ca gold Xped took my father,
Bro Isaac + Bro. Vincent. A to + Maria married had most of
father's farm - Spr '57 father again to West, by Maria, Van't.,
Arthur + Marritt, who was mch. 3 mos by to Ellen H. Cummings -
to San Jose

"The Calpa Farm" : Sam's Isaac got Ca from again +
used his place + was to CBS + spent winter, to go for yrs -
Spr '54 husband used father's name, on share 1200 -
moved to Poma - Maria

Spr '57 as all my father's farm keep myself to in. Ca we
yielded to their extraction -- we in to go by water -
4 times + \$2,000, half of it of a page

Recalled

The Civil Cavalry - the Beacon of 3/20/50 - 200 to St
Est 200,000 - 1850 + detains

a Roster of the Calif Band - list found ~~of~~ the
Beacon by Garrett, + the writer recalled the name of the E Cos
his own Co., an option list of 1850-1852 follows [2 p. no.]
[350 - list] - pub 400 of Summit Ct 49-52

1850 may enrolled by Capt Garrett (John O.) by reason of his
exp of yr 6/ - the writer of 45 or 50 others of Akra + vic
start a week later than Capt G's Co., reached Wellsville 3/22
- embarked on North River of St L - 6 days

Overland train was + 350 of land
break in axles + v.v. - men of Helms, Cam + Mitchell
did better of mules

Ship back of gear + luggage to St J
to St L 3/20 - 4/1 - arrived at St Charles - trials + trials

Organizations of the J are St J 3/25, fully that Capt G's Co to be
40 wgs + 160 men had started for plains 2 or 3 days of -
crossed over here 5 m above

4/27 Rec'd home also Capt - List of 56 "Horse train"
85 head horses + mule

the military train - most E wgs cord up
white or brown canvas, but most of ours cord up black
rubber cloth + down - pipe (saw - string marked music or
evening, gave us the title, + pos gave us community of IS

W8

- Dump of routine camp + march - "charcoal" -
man remains in prov. line was small side park + sea Bessie
a "sour-belly" + "hand-toch" - no. open fire - we had a
2-story sheet iron stove

Incidents - Plans NO spare to replace part
 of the water - left 1 camp 5/1 to 7/4 - drove
 FK 5/16, vs owl 20 mph - tho we in alert of the
 herd of the Elm that yr, a record kept of FK should this
 1.952 yr - 6.152 could had preceded us
 122 weeks, bacterial seasons, rely price a cone & other
 feed & hack off old grass "chop"

Death - trail - 121(G) man, much 1849, antlers,
 deep worn path
 Bs to the Mellon - Holm to look near last hunting
 numerous herd being down of months - loss of animals to the herd
 How to react fire - take tapping steps to outer surface of
 fallows, b. chop fire, other of areas
 Saw mules of chassy - small bovine

Cross Plains 40 - also Fols, wt att 1/2 - but
 find changed doubled distance

Sublimely Beautiful at best att & FL 150 m was lovely -
 The extreme - Ctra reg stone count home, but done -
 visit by house, parcel of distance - we visit - see signs
 of passage of Gansett to 10 days by

CR - 150 + 100 large factory smokestack

Reactor Poss thm - another chain collect SB

130 FL 600 of SF 20 mph incline, no to Salsor
 Exhibited cost of repairs

Or of admirably calculated to dev the persistence & deep
 instincts of human nature - destiny what can't sell -
 quills, note fatal - a lot co. spare except for
 that class of disaster - unless I end up I keep - find
 bet 2 couples, Kuhne. + Dufour, make bob-tailed costs

6/4 125 m of FK, cross to no - earlier impious, the yr
 pasture of the fort had not firing, 5 boats nearby, estimated by
 by trees, people of cables & windlasses, 44 up
 250 mile, no chy of humans

May message a tree - Gansett to show what
 fantastic culture used to combat alkali poisoning

IR - enchain over the plant 5 + 5 - summit - Name:
 white, red & black paint, tea, lampblower & grease, chaco, chaco
 over chisel — DG, room resub. & Niagara

6/10 to DG — SP — 10 m level level, 960 m
