8/12/50 To write & pass - Sore eyes - I was nearly blind
for a few days - I left the the the - I left the the the
[For Learning]

Came to the fort & got shoes made of [leaves] oxen
Our Co. org'd & elected me capt. - now 5 up & 14 men
there is a gr. Elm before us - the acct they v here:
18798 men 270 wun 271 child 5122 up - my camp'd
out of sight of the since we cross the R.

If I could see you & a child I'd travel more better
We put out 200 lbs of our load; to lighten - There was
thoss of 200 Is - platt better of 100 mile back to ready
beginning

man old to be up his wife & another man state her for him
he is running up & down the road hunting her he said she was young &
handsome & he had to lose her

We v' had 10 days snow

Lesson #5

6/26 We a river on SW into 16 in ~~5~~ [Pass] -
v' had 20 mph - we v' all had. At river speed - had 1 ox
we find p 140 in deer FL, seven cattl -
snow on the into - w/ no worse luck than we v' had
we l' reach the promise land & 100 days of the we left home

We v' find ~~500~~ but 500 x 1000 up abundant & de-
stroyed - 1/2 of a wool is heavier of legs

No man v' start unless he has a cat like a mule

From had all snow stolen, a ton of ox had took the -

Charity

9/3 Sac C - landed at hay town 8/25 -
106 days - I v' wrote 5 - 6 later

got me / even at SP - hauled - wagon to BR -
lost most of a stock - left a hay - Hansen

We left Hay & Crow's near hay town

It is the hardest trip man ever took - had there
lost and is Kelly to me & best

this day we trud 8 miles to the rapid [?] rapid .. it was
swimming + no chance to ferry .. we land by tree to 3rd day -
trud 8 m to elkhorn .. ford is very hi .. Here - 2-300 waggons
waterbound - the current is a big dangerous stream but man -
to road to Oregon + clearly stop of that traffic .. there was
a small ferry boat - this is overed of a half I .. at sunday + with

Ferry all myis - wading .. swampy + long .. had to make by
fire in the burn .. the only guide we had .. the nearest land we could
get was 80 rods .. 5 me drown while we were there .. + one hit by
lightning - belail hopping (?)

my wagon moved .. broke on wheel .. a pretty far for a family
to be in - with water + 40 m of the State .. up timber - got
my family out .. left wagon - renewed things .. took my
horse + went to ug-mo shop .. got timber enough to fix
the wheel - I got an more of down - block of stone -
water had raised .. coed + ropped - both near .. drown

Finally back to elkhorn - 3 days .. 2 miles up .. enter
a slippery - had to put up boards .. swap for another
wagon

So on cut 5/13 .. we expected to lose part of the
