hired of oants or legs byg ... waiting to reassemble from

Eastern valley camp of 100, one camp of 1250, Geo post - team
wgs and to us we went on to Six mile Grove to assemble when 100
altogether we had to them

Message of Bro Hyle, to us I, return to Six mile Grove
we and 6/27 - after 37 days we had gained 20 miles - now
Bro Hyle and I to settled & we ad now of school

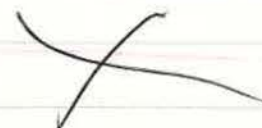

6/29 one more raised out of camp - now 3 cos of us which
we called the Grove Co. - It's swampy - hills mostly a dry now
Gen some of the boys, they said

We crossed over a timber bridge, failed over - to valley plain
to Bluffs of Plateau Bottom - B - drove drives

Camp - read road very of hills - a qty of B plenty

7/30 old of PR - now 7 cos of Eg said -
ful road of Pomer - a to Echo C on Big mt - Lt met
and the En C
