[Journal] X Bond

Diary of Petrona Loeles Rosa Archer, 4 type 188 pp
to signed

38-92

Cross Atlantic 1855-6 - Amell Gordon - order to

go that season of her - order of Pres. FD Russell (Liverpool) - humiliated
they to be harassed up like cattle - poor father & girl, mother - death
delicate health (forced to go in account of apoplexy; stay in Babylon (NY))

at town of city, furnished - tent, hot

after for 100 miles, father health began to fail - legs & feet swell
at Florence, was black, then send to go by river etc

Camp at Cuthbert Park 7 miles of Florence

by father & myself were to be in the middle of the shafts of the cart &
sister pulled up a rope - had to the shafts, + I pushed behind; had not
had for when poor sick father fell down - all again

In camp sister Zephie Jacques camp, + sister tanner sick w/mt.

from - another sister died as she had been born - order to be
next day, + then lay sister Zephie + to go just go better to a child -
Capt Robert Mather says put them up - to my father's side, well w/ to
take care of herself - I refused, so we stand to take care of

sick sister - it was father + - bil. Jacques had to keep - by fire
to keep warm camp - Bro James Hays came to see us - to by fire
make can start, w/ 2 hrs, camp to side, a tent -

Send Col in w/ us of Father send better, was 22 - by way up of Co. -

Came Mather send whether to our father - we had not gone for Florence

when came up from of woman who had gone on page of Mrs Babst, who left

3 days by of to of loaded days; father absent - that outfit - we

1856

Where →

When legs had to be bound, up the main to Co. only a hundred boys
to kill the oult news he said Babbit was shot - his eyes -
to want to Is put - chris - itook her eye up to them, but he said
not how what Ben of he chief - (we had not there some Is) -
in I now to caps & tr - person of one co.

[John deed - 2-3 weeks, 9/24/56

NO supper - & up and next day [very poor, credit & Col f small]

State Ja que you suppl, over the conf, & her body too with &

Law - warm general [rumbly, poor]

Could John deed the day - to be - "we will deal with Father

Load up T to look - [and later] next day 2 bro day 2 Co

one of John & the of = wild brother - washed in - & quest -

John bro was - keep green a wal / just him

Draw - Bl - Bro Stone fell of road, is rot by wal

tried pull he an MP, can near drain - & pin Bro can

he chiel - his beam fell + prob dread - prob say ass

no corp, clothes frag - is - man deal frag - & frat, up

& of chiel - London - bound of 18 man deal on with

7 6 me 1 SL & 9 day rule

was of John A you of prov

Bro Blair at 4 4 a chiel, fallen the - Cart, was kept
& pushy behind, fell down, dead - family at St his body all over

US - bro like deal - you in sleep, oh - and of poor bro

W get the frag, & he also see the place of the on frag the note

Why you to St let but son dead, & had to &

competition -

at VG - Bro Go Gur demanded old note of found -

some poor revelation mother kept up would see

AV

Up on left side of the hall - delimitation between - had not been done & were - under - 1810 - did to walk all over to floor

made - up of the way left side

Sister Jacey - 2 yr girl died at FO - when John Quincy had

a baby girl, they named her Echo

We had had the the trouble of out 5th July. 11/30/53

X

May Ellen Owen's ~~Brother~~ ~~John~~, typist ~~3~~ in

1858

G. Scotland - C Am 1852 - advised not to go up has
that you (young boy) - ~~could not~~ ~~to~~ ~~the~~ ~~you~~ ~~could~~ ~~to~~ ~~the~~ ~~man~~ ~~to~~
help with new settlement, 100 m - of city, called Grown - stick up
with - measles epidemic

Prob. of exam. - could baby John - 7 Oct. of measles

On Grown 12 year, all pin. hagg, come cup from -
threshold of F3 - the father called to him onto street called Wood River,
100 m in Grown, Elm tree - It's try to keep up bro & me,
fragile as we ran

When not to come, To place abated, repellent of grey water
at PR/ing, most also down of Grown, try to feel herself
Crown run by hagg - to tail of young cow - loud - he mean
to see sound of stony - smother - well - strong of

hand out, milk-wed barn - 0, 14 1014

X

At the top of y. there ~~is~~ Bullock 5-6 (58) - typol, boat 33 hr

(omit also)

Rests of Camp. - 8 ~~days~~ messes

5/11 Camp moved over y. Flom - rain rain, and some st

5/13 stuck - y. - ~~Papua~~ Popuasia - Cross Elkhorn. y. Bulgin

5/14 call y. deliver out notes y. area - 2 boats - PR

5/15 Shule c. - on point, note - y. 1 hr

5/17 LG crew - ~~at~~ Bulgin

5/18 voted to let it be y. to y. to - Capt. Bing & 4

The Green City camp y. - light one - weigh luggage, & collect for weigh

? (23 pgs of 293 lbs * 43.95) one you any on not to pay any

who cost lugg & weight of 65 lbs - 35 rolls - a 54 lb for me

Plus weight of flom, to frasson, at the etc -

part red on back of pack, 6 and, 1 to 2 lbs & any in gear

& else got ajal & ref to the bulletin [at Green?]

Inventory of meat to England

of my logs & goals - (Missioner boat camp?)

110 - Co. - 85 M Missioner, 21 oil, 1 hr, 3 ch

5/14/1958 1048

5/12 Prum crew - foolish see for to gear - but of Ozullo

5/4 to Camp - Capt Bing gear to 3 flom tobacco & 1/2 Bo boat -

The long tree in slope of Wood River

5/15 Wood R - repar bridge at had fallen - pull up

over of logs, a what is called Mom Team - from Fling

5/16 see c - BC

5/15 Place is so many fell, camp found wood

> tabulate of "at Green weight goals of the Missioner"

> Log of dates, Barlyte to Echo Key

5/19 Prairie Swaps - 7c of form - Cannon C -
Shunt C -

5/20 20 yrs 93 km x m - got to up SS SF (?)

5/22 North Bend form - P - roay full

I

5/23 R-Smoke - Is of The Burley Band (?) of 8 08 all others
to camp - back - prayer up air - in for to - but in 2 miles

5/24 gun Is byt x this was my singing - Alt - 08 all others
can to up - holly drew, distributed some - say for camp / = 15 yrs

SS find up to my

5/25 gun - record to the 8 sides etc chief - Castle C -
would it stopped - Creek C - 8x lodge SS - 6 Is
down to P - gun to support

5/26 Cable Hill above

5/27 for goal - silver reflects - to noble Platin - cp
many op CR - took up - road, later the square to rain -
try in ground etc event of Col & then S. Hames who he then to
Utah

?

5/28 for 5/13s in back of P

5/29/57 a lot boy of Robinson sold into camp to
trade moccasins. His father died last fall or Overland

5/30 4 ~~up~~ disc mail of 4 yrs off to FL so we
concluded to find it - day after - to Rock Lake - took road to
Laraine Ford, ran & had - we saw to first & house. & to
Mail by of SP - had come for

5/31 also from our shipment - Be Ell C

6/1 by of the at 160 54 m to Laraine - man from wrong
the P. By of the ~~SS~~ SS it is 45 miles but came to us 2 x

6/4 at Day C to a tp - our lodge to here we heard
that the peace comes to Utah find 13 days ago, after this

on to v. a new Gov - age 40 of troops - the mail is
due to Hierarchy of 190,000 yr, weekly.

6/5 ~~to~~ walked up to to Bridge - Bole - mi
road - NSL 135 mi - SS - 126 1/2

6/6 flock 1800 sheep + 10 yrs + the mess + for Scott
and 1 - up road, try took to C-0 while a camp took ~~to~~ the
old ridge road - found sp - road too only, cut up of
heavy Govt up, note up to hulin - WS - Cape Bay
camp inter then in ss to SCO to the gait + g one of up of Johnston
then up the up pole + up com

6/7 IR. for to Bridge - stop to keep the time - at
OG can run 10 for over 5 MS

6/8 US mail / stop to see quarter

6/9 Ante mail of FB - more in the + see up of
Aptoten - now + now - rhemitic feins + Chelic

6/10 catch was able to bring the etc

6/11 5 up of my disorder feather - SP

6/12 decid to take KCO, ch can T BR to in hypo up

6/13 rem of best up - by John Duck + all the about the
in the will decid pink, Anna

6/16 trans time - EMD

11/10 Cpl E Don C - take better road to avoid BHS

11/11 Bel ful of Platte (lower ful) - Bro Good William
 shot 2 quails 1 shot

11/12 Is Comp like Whitcomb - fun to see the. - Travel
to entertain us, get hiss, Fairly the, they pretend they are po, though we was.
Crows in wings ! (?). they in Chayo - but guy even at the end of
of a theatre. Got the dried bread & tobacco, they kept their eyes to
at & left & we proceed, scout of them, 200 re like 500 men or
them of 3 in of. they they left us, Bro Taylor, Luiz Smith
& Bishop Hunter camp them to visit their town

11/13 alarm of trader for water Cross had stolen 9 hrs. they had also taken 20 hrs of the man they caught. Fed 4 men cpl / to water they in good digging & cpl men - warm spy

11/14 first note near road on the Bluff. Am Lamer 10 6 2 obtal plan & small store & made of to mail

11/15 Rain & cold

11/16 Paul Robidoux Fur & SF I would deal all day. Bro Grant obtal by bows of Robidoux up coast, cpl 12 m E Robidoux

11/17 man up case of tan of Ogilvie, cpl men CR. One of the chiefs came out to meet me. Had bin on yr 03 hunt, hundreds of horse loads of meat & hides. Cpl 3 m E CR

11/20 cpl alt

11/21 out to bluff for the man P to SF. Heavy snow. Frog - no top, hand try. Bro Homer had to unload his eyes at the bluff out of alt & carry them up of hand & then double them up his empty eyes. and SF, bad feel, worst of quinsid - rocky cut & by - rain or x, no fire but freezing

11/22 was 40 m. to find report of ss too fast.

11/24 man & man snow on road

11/27 by body. Ps off to hunt B, FK 12, 330 of Lamer. Cpl - Bro ~~Corea~~ Corea's end. most of brother had meals of his

11/30 better coal - P. Simon horse feed - no cpl men very far, 52 m of NFK

12/2 find the desert P town. Naked train of gun fire.

12/4 Amey Perry coal - dead cattle & empty up. left of to the belongs to FK, end of mi. Cpl - "Hinton Hollow"

12/6 bad weather, raps down & up. Dist of 2nd crew of 15 heavy work legs - out of pors - usury well

12/7 0800 snow stop. Five pm to reach OFK 1:30 pm
we are 3:30 vlt bus last. masses & gathered off with such loss
in the old banana as was but adapted to turn to weather. Some about
these words for a few days here. I run vast out plenty ice

12/9 snow not yet closed. Then of twelve up us spoke, of glaciology
hear. Father of a more group of - Col John Rene coming.

12/10 Saturday closed. RV closed. Good camp up 1000 -
houses stop then - more of X, but all on slope - and, & down trail
kv, 12/4. and kv - then need to see houses of.

35 pm - not me disengaged and - [several times
summit, & when it had fallen, other part of it - kept Brothlyde
up a history of it.

Story of winter

Brother Feremong carry mail betw SL & Lancaster

Scarlet fever epidemic took away 2 of my children, & poverty had -
fun gap - me - P. Pres. Yung said he had - neppers - fun -
STL; request Brother Stewart to provide assistance -

To CBS - John Yung wife died of consumption - was in to my arms in c/o,
The next Welsh & English, of no expense - the three much labor - me -

John Hoop Fine - John directed me to capture some fat wild cattle
wild cattle, full size 2x - hot sun, other scatters cattle, some -
the result of these exertions was I was taken down by brain fever for ch I
did not recover 75 months

at Wood Run Bro Stewart & Brother Kupper came up of us. By the way
was sent to the V of my helper ch - in P ct of here to Ps
of our hundred warriors made camp, plumery in of provs.
at IR we were met by 2 teams of V, sent by Uncle Bryan &
my Bro Fra Feremong, c. 9/1

the team in drive a part - to such ch bean. at 602 Jess' wife
died - drive to FIB to obtain security to put her body in

and SL C 9/25/53 - Uncle Bryan bleed me

Annex, letter 5/19/50 "in Platt Run at 80 m of Laramie" (ms SC 114)

copy + TT. 2 pp

4/10 Bro + D + myself and sg of St who we bet our fives

7/22 we left + war up Riv & 4 m to Dunsin Ferry, cross 23^d

& got to bluffs 5 m

4/24 set sail in co. of some men of Ohio over Reilly from

Platt R. $\frac{1}{2}$ to 3 m wide - sun - P bottom - , vs level, got (rook.

the roads are to break I've seen - any country - none of the road

are smooth & better than the road than you know
Worth = SFP not over 2⁺ - ~~marked B~~, gave me colts & I can
persuade him to take the first party -

Co. number 24 me & 3 hours - me cook - my shirt came
was Long color - most of view of Hellspine was kind perfect & gale
blew off my covers & some of loads if a man had started it was no use to
follow in foot a horseman - our co line about 5

John H. Brown - Express of 4 yr. me. up by to O to Colo. Utah,
Mater, Wyo & Idaho 1860-65 70 pp to pp.

4/10/60 told me at O, Capt Down & Mason f-best. o l + side
Whelan - that / camp & team at one load, from I. Nels

me to. Wagoning 42 - my cousin Baker, at 147th Form -
was said I cd g - Baker big up him, instead of PP. long prop -
it got back 855 I had paid for fuel C. Brown fare & board to PP
was to me - crocker party

Thomas Fales rancher, 31 in this only Jubilee, want to start
a baby - his ranch - make me - off in 4 X so I am only - just the
fox of work as paradise - Is no problem

9/1/60 left O by mt = 4 teams & went to Papia, got 1 killy,
hardly paper of F - E FV - soldier had B - B. but
capt a fine lot of B calves, odd cows, 91. ea of some & \$2-3 of
larger ones - FV FV to Jack Morris Ranch there in millions of
them - Plus Creek Dry, but plenty plain, a great plain
for this also - many sold last their live than, Amber

BIB go my file, except when stampeded - ~~can~~ can
run on a straight track of. he cannot run straight but
curves back & forth (!)

B

B

B, to avoid tax, / g to or or note

Road block by Chery (start of Atul Str) - they returned in
of about half a by load of goods, then returned us to g on

Five days later came to Fale + Baker's Ranch, a lovely lovely place
Calder by his 16 x 34 ft. stone room, then 2 ran E side built of wood
of a dirt road

In Baker's had access here to his shopkeeper - ranch had really to
go to Ash Hollow of wood - 45 m N of the ranch, they had to go $2\frac{1}{2}$
mi to the pond on OCC - pond 40 head E cattle,

One store, alone + tp. Hall - I trader - the trader, until
of recovery to 40 head of his F, ⁵¹⁰⁰⁰ see to to James (20 mil down river),
I was at the store at his place, F + B had sent me down to open to store

Baker had a big cattle ranch + tp about a mi of the store
made at 20 from empty of really hay + heavy stock - sends in
by cup of Chery - prospered by the very Indian

F wanted money of the cattle, argent - I trader learn ^{or the}

Lots of to to Dyr - wood really 3 < lbs - F - 60 / supplies,
me and Baker - then from money ranch, 17 m E (?) I shoots
wife of man who ~~was~~ used to a gun - its start - was, busy + killing

Baker on ped had up AFC - he (improbable color), he
came to Att - 1850, paid up a few cattle abated. Bot a g of whiskey f -
F - v old in the great business in Att - 2 1859 he had 45 m
to SSPR - Dyr Road - $2\frac{1}{2}$ m up of Calderby - went 59-60
portion of Hamer Falls

On Stage Co. built a new store $\frac{1}{2}$ bet to ranch + July 1859
had my Is - guns + notes to Omaha + to cross

trader - stop + James - about I B had - me I
had ~~at~~ of his horse -

[this area roughly 9 months elsewhere]

Just names name: ^{by} 4 stars, has 4 g conals, 4 stars, antels in route of star - help them to sugar (?)

Cross PR, vic below FR - for Doyle name, had a brewery - historical - Bohm Hohl - Colof - Omaha full (60)

1852
~~1873~~

Copy of Henry Emery's memoir book can be old & wet.

to 1825 Eyal

Wind of Lal can be as saints who dance = Pottawattam, Iowa. Day
came home - Lv 6110 - Tr by Sp 10 m of Kiv and mkr - 26
me came to sheep hill mission - fang a fangle over, then return to to
quid. - 29 m to return - sand Sound Robin of Mary - list of
just our fangs had worst. & we need to more, & keep other over.

7/12 left mkr, was 10m - Chal made it off -

Saw chiel & was bound - overtook in for 300 m of hills

8/10 at alt 8/8 - cpd Spg over, started to mend with

8/12 8/14 FL - end to P

8/16 ~~into range~~ should be sheep hill & end a very
rough rocky bluff claystone in legs

W L Hutchins, Dwyer, Engel T Utah 1857-1861
