Joseph Henry Merriam, 1849

20 pp + typed copy

1951
 J of mass. to g. of Ca
 Note of Augustin Merriam Merriam (grand-~~son~~ ^{son}) of I, who
 g. H. 18, of father Steven - born near Plymouth, N.H., they
 started for Mass. - org with Chas. Greaves, Merriam of Ottawa, Ill.,
 passed - bus for bridge over Sac Riv. - stay 5 yrs, return of
 Ottawa - 1900 [how then p. 1 - July 2]

- 7/4 Lee Republic to Corcoran - The arrival of a cts I left as much product as
 possible to trying a new struggle we would wear up to not trust the
 Yankee or and equines - had chas. Ross for fully any seen tree
- 7/5 - 9 miles down, bridge to Pittsburg main
- 7/8 - began seeing samples of a co. set aside & let to dry - HF
- 7/9 - BR / Snake Is. was aly tobacco - delightful panorama
- 7/10 - Smith's Fort, sold a small valued - has girl of equine, for ch. e
paid \$30 - a rough yellow but lives like a prairie - woods log
- 7/12 - road like a tumpike - SS, St. T's
- 7/13 - Dined, ridge last water of Pacific & St. Marys
- 7/15 - Mosquitoes was a furious battle
- 7/16 - an Ft - sell for T. E. 15 of B. robe - full P. M. 1
- [sic] 7/16 - an piece
- 7/28 - Stillman - to plains - bluey dust clouds - rumour of I. to
- 7/31 - used dogs & green wood, war for existence
- 8/10 - Humbly River
- 8/13 - visit of men of Wheeling Co.
- 8/14 - mule dead / snake bite - Snake
- 8/15 - it had ~~a~~ red at the track - most delicate of
 man c. came of - body sp.
- 8/16 - abandon up - on at traver 12
- 8/17 - seal water to father & Horton who stopped - down T
- 8/19 - Cross of traver 12 to Canyon
- 8/20 - to CR - find this or saw to traver on Salin tract
- 8/23 - passer of sky his Sir
- 8/27 - Pass over Canyon - rough & rocky

Now we think we've got to Elipant

8/25 - left right where - night road

8/30 - empty up up into - sublime view of granite

9/5 - Pleasant valley - M. Duggan

- after the 1st co. pass I was to see, said up 44 miles

of \$1200 - up 2 parties build fire bulge on SF can ruin

- see by 1800 Nicholas Bottoms - Star of West, Ca

attempt to prove the story

Non P. Cooper "Mother's trip across the Plains," 190 . . .

32 pp. Typed copy [any OHS?]

Area of c of Lawrence Ct. Mo to Dep. - 1863

Arvozen, Angeline Cooper [recalled]

Star 4/8 left over war - in dreadful border line
raided ct. of greenish camp - ct so devastated we had to
go 50 mi to get the camp & flats, had to use 1 left ware,
not more of it survived - traded a lot of stock

Bad-wooly corner Star Mo - Baby Belle

Went on mo & fire, but no husband

Burley fellow brings whip (4000) to show how it is done

(I think if the team had to show at that way so time we had to cross
a stream I had rather to make / make well, be done up a ts. of
Horn. This can catch pulled in all the way to Oregon & that was the
only time I had the reason at

We plodded on up to mysterious future impaled to a view

Was 1/4 - Cherokee Tr - Can near long cuts by way of IS
at L.P. a scattering of timber - little on SP

PR - style line - p. Is. Beg. - Hawthorn - at FL

They get rather agitated in their details, officers gently report that
the same gallant officer might if one of us white folks take
his 2 1/2 wheel chul & raise them - no take

Meaning of media labor - artful fellow was in drove
but along it - safe doctor - no B but dead ones

Select our crowd for problem, style mean to murder
The best - Deerhart had crowd pls 16x, have cape & gule

Now 14 yrs - Went to a crowd described of Oregon -
first class rows / split that apart (2 sections) Let
a SW Calaver 27 yrs - then go John fr. 73 yrs

Now road. LCO - go train San Francisco see
they rebel; no Union - learn learn of plot to
kill in case or while Calaver's 7/4 - we get away

< Little stampede at canal

baby

A little blue-eyed bro came to share honor & favor up
the at black-eyed Belle - a couple took adv of the lay-by to get
no named, gulpa with only clergy

Drust used the father of the little stranger to get him by out
of danger of the confront of the camp [near rather cattle]

Two insane calaver - the blue descend [but no Belle]

Hal see more of the lay time

[She states to us the 3rd person "the mother" & c -
we "escape" when John tried to escape [lots of logs & chill]
Honor's time up Wagon up & down into

False claims - Such as being husband & Gilson

John man disrupt when he tried to swim up rope

Baby fairly, poor & suffering - to GR &

[long rambling -

Over Calaver but - to Reverend on both sides into
go hospital - "the stampede baby" take into
a house, and to take out, when he could see the sky

X

Judge John B. Parson - chapter of the Diary of - who got
the GR to the 1850 - see to right at Columbia Boone ct
18 pp typewritten copy - in the at Boone, Calaver

4/17 detant of rails - will time of ready

4/19 start - [Lapin]

5/18 Dec order - V sent diary - to I

Now camp in side BB

5/19 start up design to cross the water barrier of a motor
at - go Callay et co of Judge Morris make 14 yrs
55 men - now 2 in of last part - movement
of E whenever to prairie

5/10 - Campfire & dinner - serenade of 2 colored men
by notes

~~5/11 - noise & hubbub of Westport Bay - all out
abandon, Calif & SF wagon - Ocala, lower bay up,
man stout & robust, speak a language - 5 min I turn
Pan mission, no time to scan them~~

Nichols 1850

7/8

Pike Co. Mo 3/24 1852 [mixture of original mo]

We left old Pike - coal & mully - Paris, Hustace, Shanton

4/1 Brannon - on MR - Carleton - Richard, Ray et

4/9 St Jo - end MR [Krupps & pens]

In v. Guy con - The wagnigs

Sperry

Back track of Con to Plattville

4/16 got to St Jo - but cross co to logs + use now so then - part - now raise = foot - hour

4/19 cross to nr - mason's house - IA ? Bails

4/20 wood nr bridge 25c - see at agency - buy con

4/22 see - Butiful prairie prairie w/o - other y timber

timber

Keys or mitchell nr

4/23 - 44 - no gran - to plain yet - except - wash bottom turning soap - loss but - will - almost out of con

4/26 blue river - know return my hat

a' blue stream - for fordable

4/27 3 men of this logit a then been 88 time + sent a letter of them - cross nr head of rise

7/29 150 wagnigs - see logs to my

4/30 wood + water - tolerbol of gross - winistrot dig face of our wagn sheet

5/1 1850 [PL Branstetter] - antel + rockamont a sheep farmer - 8 from at BS

back-traveling

5/2 Saw train entirely gone out

5/3 14 antel 2 clear - 5 men ff base and we / soon see to ellipout that's what had to do back

5/4 - no B - 5 wools

5/5 - log on Sulz

576-7 name

578 ~~lot~~ little blue - ~~now~~
2 B ciel but try new pore

579 poly up little blivies

page 4
C

5711 - west + shore - fine spirit - Woguis, 12 men

5713 to flat in 5 pa

5714 - 15 June ~~to~~ post Kearney - 2 more in 295 m

+ 14 in lee survived at 301

[heavy ~~from~~ piece of grass]

+ 14 in

5717 flm creek - 36 in 9 June ~~to~~ Kearney - first time B

5718-20 - use bullet chips for time

Cp opposite Badley's well

5721 - prey dogs - falls of flat

3-400

B

5722/50 - B ring an to soal - 25 hill (8 bill cos)

5725 west to South Flm of PR - upper crowy,

the best soal - 188m of FK - ash Crack - the

worst hill to come down I can see - NF Plot A no grass

buy a coal of ash Crack

5726 from down up - June when - Wentley Marden
from the Crags where a party is work - gar - doctis,
Bill \$1.

Dr. bill

I

5727 on pure bed of soal - 100 I, was 1000 I
1000 from fr

5728 on opposite to Country area [ok 75

5729 opposite CR - haul out 3 - to soal 275'

about 15' thru to soal - a separated soal

5730 haul off to left - between 5 to Blavie -

truly his " Bill keep 8 Rubels a white in here we can
to the when the Blavie come together - then is 2 days

9210

Bracket 3

in the head of of the hollows - cedar tubs, some 2 feet
thick - like water out of barrel

odometer
↑

5721 - we moved to road ^{to} side of a wagon wheel -
measured wheel 15' + 1/2" - or road 7' 3" high from
whichever end ~~23~~ - lorry 100 yds - steel fiddle etc

FL

611 ants + bees - larvae in air

612 Ant LR in to lower part ^{1/4} in air ~~water~~
When it enters in to plot - 50 yds wide, in road -
1 1/2 in T for a batupal plant - & batupal situation -
Zander + 347 - 2 FL

~~613~~ we in part FL for my to Emugeta that had
fuel: man 9221, man 71, chisel 46, Wagners 25 ft,
horn 9240, mile 2961, Ox 1719, cow 100
- man road

613 Superficial of the rock mountains

615 Mammal road that comes in 3 to black hill -
red hill - with a corner - 4 hours of mt goat +
b.t. deer

616 Anochoboy's ^{Mama} gives

617 shoot up a man ^{Mama} Ben + her eubs - few

618 5 ferry boat 125 1/4 FL - man Bears
side of the dyamun

UPP

619 1 in drum - + 2 of our boys near the drum

612 LR + cry of sweetwater - details for

[good detail - route]

then had seen by people

616 to Ben - W seen

617 top of rocky mt

618 gravelly B - look to mountain people

SP

GR

to desert
6/20 GR - low pay \$7.00 weekly
366 1/2 FL

6/25 bare mts + see bare rv - to park
6/28 body str - ~~body str~~ - ?
6/29 to keep in Sublet's C-D - ?
then will be a boat up when you to Fair Hill

7/1 SR - I pilot - to FHX - hi wght
567 FL - Scott

7/7 to when SL road in -
7/12 212 in 1 Fat to Mary Rv

[good panure ~~the~~ date in flourish
Mary's own

7/30 82 lab - Sam y rv

~~Sal trout Rv~~ Miss (?) Mary Rv
am to desert to Sal trout - Pilot Rv 45m

8/13 park y road - kept to hwy. to
to Winton - to clatter 8/14

ful old Pin pas - bread bottle
