Barn HS v. XVI, no 2 (Jan 1970)

Friend: H. M. Brown - Captivity was home of my grandmother -
she 16 - v included fragments diary of Jan Gould, Hamlet Scott,
H. C. Ellis, Alvin Zony, - Geo. Brandy, all members (?) of the
Kennedy way to ch goal of Walker train - well what
weeks. Hay Brown, etc

W: start of Verne Sp., Howd Ct Dec 3/5/62

B: W - Jan had 2 wps, Joe P. Walker was 50, w/ -

Ferry in 48 - check Sept 15, Juliette 16, Jan 14 & Emma 15
[2 1924 JW F malleal eyes]

W: Father to PP 1859, must beo Elyah - so 80% to
Calij mottel - at O bar got pros

B: 6st hope, got samul - beac, Bacon, + group
40 wps - JW copy

W: Emma - approx \$30. pay of \$2.50 (!)

B: 5/25 Kennedy to left Glenval 1 y 88 man. 4h
wamm. 8h chil. 52 wps, 315 had catch st

W: Julia costume party - PR dapsen - father Bob
fr. droul - it 1859, quind - ten stoms, paul cotta hit

B: Kennedy to gear to about 80 wps -
Weeker stayed up 40 - but wps close to 10 - 10

Geo Ormsley: wks of wks - 1st Weeker train

W: 7/4 IR - at last of a section

B: IR, 70 by of Penn - Weeker to beok wps,
wps in hot + dusty + had no stomp

Scott - gear pan - at P. bridge, wags pulled over, shaking
7/10 Capt K. hood count - evets + munden - shot, some
200 wps + some oodles to protect wps

W: Gov wps to. dm 1 15 yoke oxen

B: 7/17 BR - 15 + 100 gain - 5 Kys + 2 Wps
Cameal of use on boots - 7/19 cross

Scott: home boath 3x - finally had me 3 boots

Ormsley Ropes straked to help pull. 2 Anote boy + 9
help pull - feet swollen

W: Boots fashed but to help, put boot only rowers,
other piled in - Emma's boat - row traps
at FB offer found to send an Army scout to find us, but
failed to do so - never saw - 13

Scott 7/22 paul (G) of man to help malleal, dog there -
Capt gives test alarm - one seal pillow prayed (1st time?)

7/25 Skarpedi 7/28 Ben chail 12 catch 8/4 droul into 4 sea

W: In 10 men burnt & injured - Is your supply to plant

B: Walker's rifle - 1844 Springfield

W: Father caught shell house - Am Falls -

Notes of T rails check, dead & wounded

B: Masson Rocks - hot morning, involved 2, go-pdta. of
Alm Zany

Walker, Board Zany & Ellen next morning

Admiral to of 4 up + 65 had stop of moon - arrival of 200
Is. - W. Bullwink, city adm wood, 2 men up -
leaden spoke of English - ^{Warrior} of Cape Walker Camp

B - Camp at Repton Rock ds of M-Rocks -
There of survival of a attack. To Hunter to same day,
11 up - 2 men had under Cape H -

W - 4 Is plant when 4 sailed April of WW

Ellen - 8/10 to person I, 36 a part of Kandy -

Looks to T gain an effort - Is drive. The base in
many figures - 4 men had - 200 would not capture +
had Bullwink of Walker to

G - to 2 men left hot up burnt at 30th - 5

(G) going April - a part of Mrs B -

Ellen Cape Adm ds to death of Wanda - total loss 10

B: at Repton River, Walker to or alone, part of 4
"sacchar" (?)

W: must father ps at Sumville

Otha D. Warren, "Calif Gold - an Otero Valley,"

LA Western Central Branch, Dec 3/56 (p. 33)

Joint Warren - Jan in Valparaiso, Ind. - 50c due
on letter of Feb - Otha at home

Feb Wyo 6/12/50 We v got here past noon - our
horses are stalling, it - Hain's ass sick on home - P
don't fear the trip at all - 9 lb - Calif of a record this

the damdest time that I ever saw for stalling + they
was one man stabbed here the ... by his brother

Man paid 100 lbs flour of 325. -

Letter to wife Olivia - well get to Sac - 50 days

It's a hard trip for the grass is coarse + if a horse starve
I go + fast them

They is 3 Cos of Dragoons here to keep the engine from
rotting + robin us - I can't wait for the wind blows so
I am asettin a - rope - Sun shines so hot - all
sail now - man just saved for drawing -

an engine paid up - part of a tree

up and J.W. of wheel - Column, set up -
top, opposite of 3 yrs - from private land 2nd square
for V - to West N - - mile Ct, Otero.

E. S. Caston Life & Order of (Stg. 1896)
 v. 1 p. 13 on back = p. 17

Very good thin to mid / (big typical oval) ... is squeezed
 me so hard tiger I cd hardly breathe - "O can not read to
 hussy boys"

to foot of Cascade mts - took out from, & was hauled
 across the mts in a way - could see at foot of mt Hood,
 rough road I cd not - Teams had to go almost
 straight up & down - reached Wt, 12 mi. OC, come
 long then - had to see of doctor of OC.

> Eliza Bealle, A Letter from California 6/15/53 - Vol BSL
 reprinted in the Oracle, 1/54 / Pottsville Pa. pb.

Historical note by Anne L. Bealle: my father started in
St. Clair, Pa - 3/53. He was he out of the of ps. The War Asleep.
at O. Thy gd - lay in party, May mo 5/2 - the diary (!)?
 describes the app of it, was good. Version I this, the wood log,
 my, & place of note in FL. IR DG st - some of R was
 was reached 6/4 - 42. CR - main rd, - SNS 8/10

"meeting of Kirk came near the Basin ... a medium-sized man
 w/ light colored hair & whiskers, eyes small & keen, dark blue
 dressed somewhat - I style, hair quite long & parted - middle,

There are two I's & more of him, & was taken by dream of sheep to Calif. His app is mild, & a disc note - his cont. that makes the wisdom will & energy of ch 2 is possible.

- Counsel of D. J. 8/4/53

Letter: San Oracle - Acc to prison etc

Now each 25 in blue SAC. To New Jerusalem receive a cross -
 am v. not firm - other acclimaty diseases

My last letter of FL - in sign of snow mark of time since

BHS w FL jogging & walking & coal

IR & DR 6 1/2 stone PSs - at Hain Fork about
deformed by mosquitoes - marks for lost like scaly alligator

Comm. Grottoes holes whole of Digg in I's

No trace of St. Schuyler at that & open of stepping

Detail re SAC - seen possible

Houses v. 2 to 5 or 6 women - v. small temple

Rough habit of a Californian - real shirt, and corduroy
pants & knee boots - using workband of a line

> I. M. Smith, a trap line in Pls 1859 - bound to paper 6 pt
Fayette, Howard et. mo. spm - Shepards, Wright pens
str angles - 5/18 - horse traps [S & W had medals]
IR 714 SS 7/22 - Is kind good of another tr.

in camp - Is fine & would 3 men - bullet struck my
right arm - Mr. Skelton killed - I try to see body of
one man (Ida S) - long body down - a poplar grove - me
keep back, but at camp

2 other cos, c 40 men - little boys, feel
OK - Mr & Mrs Wagon wheel down, gave 2 yr girl shot -
Is got all ants but 4, left tent (S) 11700 -
4 men bound to B, Mrs W died - TSV

Supper of Russ any attended to all of us
When we went at Grouse, to USA to Mrs W & children &
Mrs S - & body in his charge, & saw to have one to return.

[4 days out of SS]

> W. H. Whiting, "Trap line in Plains of Whiting - 1859"
Western Daily Courier 1/18/09 - int'l chron. book
was bro G & W -

3/28 - up 3 hrs & cur - mountain to me
5/2 left O, 6/3 FL, 7/3 SLC - 7/5 into city, Mrs
read thru, vj destroyed nearly every 16 yrs of some soldiers

Amputated of M - 48 w/pts legs to go by us - can't copy
For SL eds go Cal to woman - to new VL, not yet
ant to anything

Mr J McP, recently and of U.S., has kindly handed us his
of, kept white copy to me

IR: the loaves clings to the re man of this step. room of
Nature's hand man, aside of its own entire grandeur, & stamped it as
an object the most anxiously looked for by the E than any other on
his of, seen to be of his destiny. It clearly ascended for
NE of a very slope. Now. a directly a curious kind of
Directory for Oregon & Ca. Scattered a summit, a solemn calm stole
over the mount as we surveyed the majestic pile. [It] came to
mind of E the virtues & other achievements of his ancestors, it gave
defiance to the element of time

Devil Gate astonishment mangled with a sense of
awe. & sublime — One I gould to see of the world
(perhaps) dissect, map of E. S. Brooks

[Back tracks]

(Crag of SP. river) - 39 hr 2 hr + 20 mi

Beam away Godd's Corner & adorned the sky
trunk of lonely tree — an Eagle's eye found a
landmark to the lower trunk ch & no longer climb, man. in
his drop to granite, filled these his, etc.

at men erected a hill steep & lengthy. It over —
looked at: into know of a rounder cliff, a solitary cedar
raised its head; like to me dancing of Burns' reary its form
along mountain & alone. Now to descend & enter up. Beam
bottom, subtle of cedar, moddy than plumes & completing
to the pass breeze

South face of the Plateau — The road became clobby of
sand. Beam & portable red — a small peak, stiff purple
& growing on the side, at first view it resembled the un-
pretending spire of a city church

teach their babies to swim - killed the Bear Lola !!

Came 300 warmi - skin to boy alive

?

Captain Jones, an Amazon E, one of parts
the Orono - the major track - truce R.

8/1 sent the hill Camp trail [" ?]

83

to the Gross Valley

heads of B! - gumbo big as thumb, white meat
really chock - Is ever + chip - Bum - got
in willow baskets - dried of meat as delicious - I
made of fish - if so there was a piece of meat it was -
I when he could allow him of meat to run, etc

CR

CR post like a gate post 2 or 3' high - grew to
300', a great wonder - it is one of the wonders of the world...
a monument to time... with every thought of you its enemies I
reduce it to a rock mass

KS IS

Wagon down - over open of Is - KS - we had 100
the last cry to Is - ward stream & cutty down slip
bark to make a slope

a LB, detail of circles of Chaya, looky of P3
Stamp of 1000 cattle at Platte entrance

Is

Hicks - lose his - head of to, man with I of
target, Is thay camp or night, kill 6 - signal smoke
Hill like plum pit, cut us up

IR - have loss from well to cholera
woman eat with 24 hus

SR - BR fang, rope overhead like trolley

AR - traveler R - meat for Beck into
8/3. am 3 1/2 mile (I 4/30)

has a cattle dead best - lack of - lack of food,
to able with - to Indian Creek

to p. 19

Florens Josephus Daniels "Autobioy" typewr 84 pp but
Prep of G.D. Skel, corn trading experts of one who left
from Ohio ap 21 - 1856 to Cal

G. 1835 Pathe St. Ohio - engage of Indian trading
to don a tree to CBS - on 4/14 up 512 - got job at
Smithy company & Smithy
great old shop - O. about 12th body erected there

go my people long - hats + legs - pop 2000 -
keep to lay out tax of Curry City, 30 miles up river -
get you promptly settled to the town - admit in
up + down to river, to agree agree, make Or 1000
\$100 of \$50 - down to \$5 again

Person of front Marshall for beauty Dis teeth -
can't get Marshall done - concealed by other tools -

PP license burnt - decide to go to Calif

(1859)

B hunt - B-herbs always v a sentimental ?

Chased by a panther, shoot + down, too

ful deal next my

Swamp stories, darning, card-plays

Mr. 7/4, 1000 - top to hem notes (unintended)

Here was trouble w/ gungy cut - that my a man long
of my tongue for story his let sleep-lyth + smoky - has
skull - swing off into eternity - w/ sign "murder"
+ "murder"

on a bet (apic on closter f - my tongue), agree to
go to Calif instead of Arizona

Bully order sick boy of my, I crown him w/ a
kettle of beans, + he becomes med-mani

off OR Ms dingled through so Is + noble + bend

Govt w/ w/ suppl + FB

Ride into FB w/ not occasion, only day I
rode - SL, level of many wivers - Ms / arrest E
for (slightest offense), then find them of the out of money -
their clutter - threat of prison office, mark out of city
100 str in adon of trans [another rambler]

Crop of yg Ms - 10 to 20 per ha, ~~at~~ every kind of cfly, -
for all come of globe, yg older wif wif in clay -
judgy of men of babies - consistency of me + about that something
that the old women did not v much to do about

HR - scene of my to manna, feathers, bend up

NO notes

to p 54
 Lesser meadows - go to Hany Lake Valley -
 black tanager (Blanc race over) - fence to woods
 10/5 - to ~~run~~ of ~~them~~ - to Pleasant, Calif
