all well excepting Leanna & William, L-Lo-Lo-Lo  
The next day after we left F. Leanna w/ me from - we  
doctored her of the eye - Doctor (2 weeks) said it had  
been a typhus fever - he got her up - but now  
ok keep no strength

Buy me at work of Mrs Plummer  
more hints re Cordelia romantic

9/14/53 Dranting Bullid [mother?] Sac  
gentle of my writing before, a few items of my proceeds  
in the or next to Calvin - so go my of Curvature to be seen  
a bag & treasure of the - I think a had better come by  
water - what not one side hand - had thought - 16  
desert - ed. of houses

Capt travel of by horse at St

10/27/53 Sac of Calvin Buechel?  
I suppose it / like to know how he had come to fls  
it was a pleasant going - all well except Leanna - then a  
some bear rocks - on the other side of r., 500'  
bed boys - place - father said had school, 86. were

I give a share best of game

Jan 13, 1854 Bayan Bulent & Co. S. L.  
 by Company of CB, Out more 5/16. Or  
 would also & day until we reached F. Loring  
 Ch made to look very bad. the stream in so far we  
 had to pass by by box car & very a km  
 there is some of to some bear look on the Platt R. that  
 I see one - any at - was from Sd - a bear sight,  
 hundreds of live eyes & thousands of cattle, horses & sheep up to  
 30 miles dist -  
 It is noting ~~too~~ strange to see a man to see a man  
 a distance of 20 miles, the air is so pure pure,  
 We did not make contact to F. Loring, the wholes  
 of part in up to up to Is, they are proceedable up to  
 to.

I see by his eyes by we got to Loring & the  
 few went from a pass passage. Loring was take sick about  
 200 m of F.L. was such rest of way than - we could hear  
 1400 m in on bead on a arms - 7/2-3 we did not  
 & part to live

Candy  
 handout

7/4 a summit - some plum level up snow  
 Our prayer in the / got to do when we ed brary has -  
 saw hundreds of (62) day up in the road of wolves  
 at Sac pan - now fat - a pig  
 left SL 7/26 - Sac at 9/17 - was to us  
 but even 4 day out, disabled rest of way, did not expect  
 him to live either - then me, level of 3  
mountain - the level of 3 weeks  
 - we a heap a pile has - to City

Sept to ~~late~~ 3 months - I was after lecture in

to help of good

X

Darrow, Royal P. letter 1/1/50 Placerville

like and here 8/7 - about 1/2 of health - many  
disappointed people come to the scene, the many business  
is for & for as is clear. his had a bed of  
of we arrived here altho though we have it but fortunate  
& by was the lucky than any who had arrived here,  
enjoyed good health

Disap that evening E - more & later to most part of  
then prep & get in the bus way they can, then it costs 50-60 to  
procure many tools - also + for - then try to get it in  
like a lottery - water here bad, Es get alcoholic -  
3 deaths so far - here hdqts of Es & fine design

On suffering in Plat R & the Placerville it is about miserable  
No plan can improve unless they once try it, It is about a  
desire of mission to this place they have to travel through  
the dust & volcanic ash. along H - & die to reap all  
dead men & horses

XX

Memories of Pioneer - back to, to  
William N. Noble - wife Mary Ella (1850), Noble  
& Linnie were wife

in me 3 months when to Calif, ~~1856~~ (C. Era 1855)  
1856 Feb  
move to me -

Stg I Stg w/ 11 wgs - the Bealy train  
at Stg gained another to of 27 wgs - up P + NP  
to GR - cut logs, haul w/ oxen - packed logs w/  
chain along side of wgs floated them across - animals  
swam over - St. Louis to 10 days to get 63 wgs  
a 150 people over

usual to a desert - Sutter Fort, 6 months  
me 10 months of the, the day I started the trip fell  
were - left camp near Fort - for day, then  
scattered - all down

April 11 started to go, winter - to measure it

X

ditto 7-12  
Mary Ella Noble - my father was Elyiah Noble  
his arrival for 1848 - decided to settle here -  
born to Illinois to get for -

Fathers left me Staley, all - 5/53, + got to of  
150 wgs to Cal - Father send a scout - cholera  
mother had of cholera, 25 died - to Staley,  
lost cattle - all walked to Lyatic Road, mother  
went north all to way across

[mother Martha Caroline to Roanoke]

they say afraid of the food, - found that had pretty  
often had special reason to spread - means accepted  
offer of land of his 2 days - wholly disjunct, so they  
mule up a scheme to take the goods & smuggle them  
out of Utah - to me secured to, can't find

~~had a flower barrel - some  
 mother had been pg all a way across, at Shoston,  
 bro was was born, He came by the expected him, no time  
 to put a house on, they give him up quiet under a oak  
 tree - mother was afraid of it, + that he of several  
 of that year. But he was in, He always lived in  
 with open to water - Shoston  
 spotted cow plaid - much all on the job -  
 For H-June also kept to pass by to Ca - ~~for~~  
 lived to 22~~

A Grailmother's book of her track

mo. to sign (1846-1858)

NY, 1958 (12-18)

at 1843 son Gus Brown to sign the book - report Pasadena

train 4/15/46

{ His letter 1854 of Ernest Brown, O.H., to the Gus & son

Capt Brown, Gus Brown up up & child, Varid

Pringle etc - the monthly 4/17, 4/18 (2 exp) was

pleasing - groups until after FFA - then we in into 600  
 m. of OC, if we had kept to old road down Collier R. But  
 3-4 tons was decaying off of a recently fallen who came out  
 of Oregon, his assaying in that he had got a new C-O  
 Our suffering of that time no more can be said - feel to  
 clear the road etc. & He robbed us of eggs - i kept us to the  
 depends on Is, used bread & starvation. But God was up us  
 We had no more, into to clear - we in camp of  
 of Oregon - hundreds of miles into Utah then to Ca, free - up Is,  
 were the Vampy we not, last year - starvation  
 Calipose was - Cupre Brown collapse  
 his struggle - out over on h-base of the attempt of relief  
 but a ok - last  
 Over to start - with struggle the revenue

Bidwell Bar. Feast Rain, 4/5/50

to Mace Louise Cook, Farm Corner, Ham Co. Ohio

Race Falls - letter typed

The route over the plains was very hard - to Es, up & FL  
there was more sickness, there was a lot to eat & the people  
became ruffled & hasty. My heater broke down for 200 mi by

2 mil. - v of Sac - 10/6

Clark, Costmas Hammi

Diary

phiback - 1/2

6/30 - 9/1/50

6/30 left a late one at the store. 6 miles. SP. 15, a  
boy - woman - many animals around - last state of Estelle  
mail express & handling of Es to long by. To with

7/1 getting a kiss & writing a letter - city 50c

4 pm rescue of, glad to be at home

7/2 to go of M. & Man rocks - more I opp'd her

majority ruled, fuel off - 50c

7/3 19 1 L3 - 10 to GR - pay 15. 2

by & 25 of hour

7/4 pay of gun - across of program / much by beating

- passed & wait

7/5 saw lot of Black farm where resided a week

between & a row of trees Is - only by drove lines & mine.

may of ch in last out of Es

7/6 50

7/7 repeat qualities of Sac - recon: party of Es

had paper up a ? of Sac - to night while they in

asleep & moved 19 in w. c (2 were moved to FB -

found out to saw - Oclan - I who had been to the

place of the slayer - FB - a frame

[Must have in already!]

## Since we Collier

Hoppin, Charles Rossiter - Some of his Letters Home

1849 - 1863 - as written to his family - Niles, Michigan

(Copied, 1948) p. 20

Sacramento V 4/25/49 On Feet

after long & tiring of ... and Laramie River 19<sup>th</sup>

glad to see you going after long - job & was enduring fatigue  
hardship & privations know only to the way, E who pass over

The distance, heavy & almost horizontal parts of the winter road

No more - and indeed I had one T by the trackless  
drive again

We considered to take a new route of HR about 80 m  
down to Santa ... McCowan to SWS, then S come down

to upper S - 75 m by it to the river striking the west  
of deep snow, only Sac - at mouth Deer C

Many in the Platt there ~~the road~~ over board a long  
share of their power ... at night ... almost you are

but just relief party 150 m of the ✓ - sunny

Sharp & acute pain - limbs with aspect of dys. in its first  
stages its later symptoms are the knee been loose the gait has  
blacked the chad with legs become contracted. The skin turned  
purple the other wears - pale singly - ... labeled

orig w/s  
+ pub

but amount used & use of acids etc  
# 1-2 vegetable diet
