to w + c + + + 2.4h

Presmy w / with to hear of me .. of write ..
while well + pruying .. and here the day + will
rem the memory - wrote in a hurry later of
Fire Linn .. 337 mi (or 300 of 58)

We are ahead of all the trs of I + CB + the
main crowd of St Joseph .. a head of the group to ..
We had no group of any size till we reached Santa Branch
of Platt .. we spent to be - to sleeping 7/4

There is only 4 yrs - Co. of no more, we
left St J in co of 40 yrs, but soon left there ..
We + find new trs but there has none found us
then in my old 80 yrs a head of no more .. +
not head of Condon or any other of Hickory Creek
keep track in co of us

No saw .. of souls + souls .. no numbers,
blue hatched of (6s) last yr .. born sealed

Saw nothing re remarkable of the St J except of
hands of B + for Is till of P .. here 1 -
hundred miles is same other most been scary of cv
saw .. see + pic of up in -

at too cool + day of party just +
