Presmy w / wish to hear of me .. of write  
still well + pruyng .. and here the day + will  
rem the Monday - wrote a hasty letter of  
Full Canyon .. 337 mi (or 300 of SR)

We are ahead of all the trs of I + CB + the  
main crowd of St Joseph .. a head of the group to  
We had no group of any sort till we went Santa Branch  
of Platt or .. he spent to be - to alpine 7/1

There is only 4 trs - Co. of no more, we  
left St J in co of 40 yrs, but soon left them ..  
We + find new trs but there has none found us  
There is only ab 80 yrs a head of us now .. +  
not head of Condon or any other of Hickory Creek  
keep track in co of us

No saw .. of south + fossils .. no niches,  
but hundred of (Os) last yr .. Lower section

Saw nothing re remarkable of the St J except of  
hands of O + for Is tree of P .. here 1 -  
hundred miles is same oth must be a scary of cv  
saw .. see + pic of this -

at too cool + day of party just +
