10/7 Seal mail Praver, to +

letters written princ to his bro Edward, i 1850

Davenport 4/5 - drove into Rock Island this am - King a drunkard
Deosaqua, Iowa 4/12 ferry ~~at~~ Des Moines rv on a bender

Bloomfield, Davis Ct. Iowa (?) laying in corn

In camp ne of Weston 4/29 mud and sloughs all the way
darky wants to run away and go with us we v dissolved partnerships
with King /// very lengthy letters // cholera and smallpox
will pack

add days - I send up teams to the Ferry 4 miles // elab detail//
write to me at Sacramento about 6/10

Weston May 5 over on ferry, start no guide but we all tv in the broad
road that leads Californiawise -- nearly as plain as the Chicago road
(has crossed the river) - 5/7 me elected Captain - quarrels by
others, one wag sawed in 2

Wd 8th: finally get gg (no left the 6th /// Es are from Rockford///

Fri 10th: problems with pack horses -- incidence of cholera
the Nemaha - would like to live here

11th: strike the SJ road today crowd wolves play fine tune

12th: travel on Sunday, such crowdw of teams v $\frac{1}{2}$ prayer meeting tonite

14th: mailed above by man gg back - wagon breaks down, make cart
- now 3 horses and a cart re Beloit and Galena cos - many turnbacks

15th: break left collar bone, from fall of horse, get harnessed up -
every little jar, etc. - doctor checks, says did good job

18th: banks of PR

19th: river lined with wgs and catl

20th: FK welcome sight a few bldgs all shapes and forms; it was formerly
a tp and the Govt bought. -- mailed $\frac{1}{2}$ prevoious to you

20th: pr color of dirty soapsuds - a smashing place for a rr, but I fear
there would be nothing for it o to do. . ct can nv b inhabited acct no timber

23d: Sherman driving the Rhodes wagon

24: kill B near camp some Es fording sp here, but will ctinue 8 miles
to where Govt trains cross - constant quarrels

25: we have the best of roads, but little grass - trade for wagon

27: strie strike down the rv 45 degrees til $\frac{2}{3}$ across, then straight,
making a distance ~~3~~ $\frac{3}{4}$ mile - to AG 22 miles (they say) but less. . we
 $\frac{1}{2}$ got down the hill w/o accident. Locked both wheels, fastened lariat rope
to hind axle and about a dozen men took hold and dragged their posteriors in
the sand, which makes a grand lock for a wagon.

28th: manay Is shake hands with Chief White Eagle, document - Is will
beg us out of provs shake hands, how de do Fr traders says 18,000 warriors

29th: fooled by distance of CHR - 6 miles. . seened to go in same direction
as fast as we did - climbv - no rocks about it

May 30: CR like large circus tent with center pole - able to climb to base of chimney found that there had been people up some 15 or 20 feet higher with one arm useless, climb to 15 feet ??? I am the only man on top of that rock with one useless arm. - holes cut into it

5/31; Bluff Springs I tp owned by a R Frman named of Roubedoo - also 2 bss full of work princ sett tyre at \$1.50 ea, and aman does all the work himself except welding the tyre saw a man r trade ~~xxxxxxx~~ a rifle for 2 lbs of poor tobacco. HC

6/1: made 33 miles

6/2: had to drive beyond fort 3 mi for cpg gr

6/3: to fort to mail collar bone well, but weak

JUNE 3, 1850: call this vol 2 or sec 2 squabbles, squabbles

6/4: BHs and terr of Crow Is we travel very croked

6/7 Deep Creek we understnad celebrated Kit Carson encpd near us

6/8 camp to camp of KC had few minutes conversation with him - says we should not risk rss with horses - get tickets for crossing

6/9 has been 3000 teams ferried tis sprng - another one below here 4 boats, busy all the time - Eion healthy this season

6/10 yets I mailed letns t you giving items from FL to UPF - cross

6/11 Prospect Hill after Rocky Avenue IR

6/12 / 14 old mt man says our horses l nv get thru

6/15 / travels with Chicago boys/

6/16 the pass, nothing remarkable snow junc Ca or SL road and Oregon * SCO roads (on the 17th)

6/18 astonishing to see property thrown away here

6/19 GR ferry \$5. wg - majoirty by SCO

6/21 Hams forks Frmen had been here 19 yrs, I lodges

6/22 6/22 Fort Bridges trader just in fro SL himself, took him 21 days . . . Bear River difficult . . . public spirited Indian

6/18 into SLC not a kernel of gr for our hrss Ms are a curious people. . they c v as many wives as they can get and support. . ~~V~~ drink whiskey, \$ dance, play cards, but do not gamble dscript State house

7/2 yest I mailed you 5 sheets giving accot f doingsst SL p rolled out

7/6 eaten up by mosquitoes - not much of me left not or more than half

7/10 Cassus creek, kenyon to jc of SL with FH road steeple roxks

7/23 pass Lost Track or Lawsons cutoff

7/24 shdnt sold r scythes at SL 7/28 hay for ther desert - starvation

etc. 8/2 commenced packing cr (better off than most) 8/6 CV

Nevada City, Sept 23 what I have gone through I v gone thru all this to prove to myself that Ca is one of the grandest humbugs of the age. - ;oor health, out of money, out of provs, no place to sleep - you are luck for not embarking on this spec 1/50 may be succ; 2/10 will live but not money to lv the ct; 2/10 will ~~l~~ borrow money to get home; 2/10 will die of disease 15/100 may get home after 2 or 3 yrs; another will stray to Oregon etc.
