

Life - Memoirs of A. P. Flory 1864, type 7 p/1

(Mar?)

- 5/1 went to church - South English, Orleans
  - 5/2 old of led of gavel by others
  - 5/3 thru Tapesia
  - 5/4 paid to Ossulome, (Ques) ! ! !
  - 5/19 The COB - cpd new bott 14 -
  - 5/20 to man, wait. bus, to land no -
  - paid the O, cp 6 m w
  - 5/21 paid the election - Bridgeport
  - 5/22 PIS
  - 5/23 Friends store & stable
  - 5/25 the Columbia - and LI-P frog
  - 5/26 up PR - cp 1 - w Eagle dead
  - 5/28 land by - 137 up; paid here
  - 5/29 paid here tree station - cp 1 m w Stroms Point
  - 5/30 cpd wood su
  - 5/31 Saw them anyway to me, cp wa of am, 5 m
  - E near Centre - B heat, no B
  - 6/3 paid ~~at~~ near Centre
  - 6/4 pd to Dleum train
  - 6/6 left detro. pd Fawel & Co
  - 6/8 William Lake - Uka Lake
  - 6/10 P Spys 2y - Crane
  - 6/12 105x whs NBI - Trade
  - 6/12 pm I cup - Shoul a
  - 6/16 wd/c - 6/17 cp opt Cartel Bluff
  - 6/19 land by - to warm side - pitched horse house
  - 6/20 Cobbs Hill - Aunt Bless
  - 6/21 cp <sup>2</sup> E CH 12
  - 6/22 cp opt CR - wood run to sea to go rock -
- Expnd more NS of it, 200 of base. - I satisfied of what was

- 6/22 cp. 5 in E, Scotts Bluffs 6/24 Spring C
- 6/25 near Ft + Is ~ 50 Wickamps
- 6/27 full to full + some other went over - road news
- 7/1. down otocue am rv - Is made a change -
- Is huss. near camp - received 3 hnd. Is except - w/ 11 hnd
- 7/4 game, that F stream - only salute - hnd
- 7/7 Loun PB
- 7/8 got a better up one trying to go to mountain town
- 7/10 reports on the routes to town
- 7/11 about 1/2 to pulled out of the bridge at -
- was left alone w/ strangers - rd co. Lt Granger
- 7/12 stream one of a yellow stream and P to me
- Borman road - cp Salt Sp T1 + 3 up
- 7/15 to now 68 up + 173 me (+ w + c.)
- 7/21 for Poubly Run - full salt = tree - go xated
- 7/22 rebuy body on the Is rd
- 7/23 some h B v Ben - meat of live eye
- 8/4 am B H rv - west Property up to rv
- 8/8 end to rv - hnd - stop down
- 8/9 B of 16 hours - starfish and
- 8/17 property to - car yell -
- split over what to nice dog
- 8/17 other Borman road - (after class Fine)
- 8/27 Yellow to City (mum house)
- 9/11 to Borman City
- 9/3 VC
- 9/14 Nevada City

Naomi Knox Montgomery Hays

Letter 1929 to Barney of Helen & Jim -  
I can recall the name of G. Motter Parker & Bros who  
died on the trail - G. Motter's name was \_\_\_\_\_  
b. in 1815 - died on the plains (1862), she & 4 ~~bro~~  
Boys ~~with~~ contracted measles, & from encephalitis trail, they &  
all died heavily up Colorado Agency to southern section, a storm  
came up & blew over the tents & they ~~could~~ could not collect & died  
of dehydration - misery poisoning

Poor Lt 17 yr old G. M. was left to lay up has 3 very  
bro & father who they settled - Olympian - by flatboat in  
Colorado but then up & over almost gone - blamed all  
misfortunes - they - Sunday

→ in letter - in G. Motter, then John G. Parker near Hays  
rode to back to give part of p. & she saved me a story  
of her family experience on OT - mother & 4 bro killed  
a unusual (G.) disaster - OT

X

Some McAllister Hartman.

1848<sup>3</sup> to city - 8 weeks white man  
- no detail of trip

X

George W. Manville "Story of My Life" - typ. 47 pt

"Ann to Pleas - (1862)"

Ann Helen - his best friend - born - about - wife of  
wife, 2 Lt Gys & Mrs Gellert, a fraction - employed 3 yrs  
- pl of Fran & his farm  
to avoid Bushkram, out of Keokuk, the 8 CB.

By way to Nels, Got paid much cows, you were all

p 1

The way of all to better we cd use

We kept up NSP all the way - 40 yrs - the Cape  
as I had been 52

2

at BS day 6/1 m. wife & 3 chld dead when my rolled over  
me construct bridge over the water - one and one - my to  
remind to collect toll - he had 1 Is SR ne FTT

at DG - Col Collins of US vels cpl. He had suffered  
to Ewin at that pt, 80 yrs stayed up - old my. Briden  
as grand. - I was need to boats to take chj, my man

2

LCO (not used) - put all boats in GOR  
Is attach - a Irish and man - his boy 16 in up,  
deal (for volley [Irishman man]), 1-4 yr Boys would arrives  
me had gone 50 - retire - I stare of me,  
Spanish cattle

to Irish man that put put Campbell of Irish man (man  
of gold) to - my him

By the Port man ( my, land on Irish )  
( Manuel's put )

in SR wife : if this is a ready town I am want to marry you!  
To Irish man

p. 1.

Copied of J wife of John Murray (1853) type 156th  
4/4 left me Galen - land - map and glance of the Elephant

?

5/7 was 3 O Is up letter - say had put down - Es  
and proving any D - you may, total all opt - liquis ( tan  
letter 1 writer of the 1 leg - seller

?

5/8 to KV - with man Ill beard clean out - off  
home, buddy dead of Elephant - use the off to lower  
going at mouth - letter intend to go up 55, tag 1  
stared at eyes of go man dead - his woman - Es are

[extension entries]

Camp all about here in w hallow + extant string of beams.

5/19 log - supply - ~~to~~ to = C B City, Co. it is now called, looks up town - his log + cones - crowded of Es

5/13 at ferry (middle) 40 up side of air - no cross

5/14 hi land - no ferry, will blow down there ...

Bottom was mounded while wading with, + rabel of \$100. they took up 4 outland mounds to my trail by an end of a court full quality + high in the apt. - to people in of base for execution while we are - town

5/15 can make (evaluate of down from off potential)

5/15 ~~at~~ by otlet the hundreds, c camp 9 up + 100

had call at one time - down the heavy and

I told it crew, 252, but took what they could get

5/16 + Paper B, 25 in 7 m, another I tree by 2V can-

parts of 2 logs, crumpled up poles + breaks - down up of had, logs kind used - much to water hoil, staple bands Paper C, holes - holes + of cones - another h-blue, another staples - then in the deeper center

5/18 Is water to the Ellen ferry

5/19 a co. number 7 up 15 m \$80 coil

5/20 - 5/21 over to the ferry (mud-holes)

5/23 Small C - nice bridge - here in ~~the~~ part above the great plateau, 142 m / above in land - 3/4 will

5/24 LFF 3 - 7 P - strange line - 3 plot boots

only 2 men - Sassy motion? Co (found ~~last~~ ~~last~~ + clear) - the same men over to the ferry - Ellen town + even to two 7 m below the

then - by up of the 10 m ~~of~~ has, 5 of P

5/25 up LF - ~~the~~ " (6) the hildexon 5/22

e kindly plan to be of road-side in the big prairie

5/26 10 (63)

5/27 - 7 (65) - 53 - lots 52

5/28 - to Ward R - 20 (65)

5/29 - 30 - WR pulled up P 15 - 20 - 6 (65)

5/31 - Sun up but we had to P off Four names

th up 2500 yr v pl Fla - 1 - dry 2500 sheep to  
the other - 3 (65)

(?) 6/1 botanical obs - Eden Creek 1 Good bridge  
go but my eyes today a word here - and Eden C - B C -  
H - runs that unless we in a much better ct than this but a  
moky poor way

6/2 BC Bank full, Curie Cr

6/3 u B

6/4 BC in upper branch

big drive B

6/5 Ptak lake

6/6 Smoke - P Swamp v Spgs, a Blang

6/7 to P - "lost trail" is all gone

Blanc trail Cr, west end yet

6/8 runs - P over to banks - swamps

for several miles

6/9. Shepherd Cr - Owen Cr - R-snow R

6/10 full by down sheep - try sled to be P in big

X sled up 5200 head - cost > 1/2 - now 2200, my horse

3 Cedar Bluffs 5 or - Home C

6/11 - Line tree not to be full - Sun day it - at

down high yr of wood - to 6pt alt - 20 acre level

6/12 - lighty stone, u 2 man, w 2 m - fence

a scene over on I me with I behind eye - m'ch - 6/12

6/13 - found I attached - for date of m'ch

6/14 - Good view - lty stone in v ox - not good

th Ctt, a huge unformed Ctt in capital 8 (65)

6/15 - gl of m low w/p, in 5 curd - ca land

up the ar - all its gulleys - low up of huge curd

[Very extensive notes -  
detail re top

front + chug - 15' or at butt. & ~ 10' at top. -  
like a tall stem chug - 2 y r man who v. l of time it  
is much down. - had yr 20' fall off it - One said there 500'  
hi area. & when front went 250' - in center l by  
entirely gone - most prob.

6/16 curr about only here - Dan & mans, com &  
Chugyr about. - 56's - Es - 308 ft height - v. l of  
Spr cr - hydroly & heat, fr tp - to v. l of hi

6/17 road story of Es (most seen yr) & off to  
the side to Es and the Covalcalle - fine rgs - 3 (as)  
or in blue rock

6/18 ~ 19 - was to & fr top - 6. whole of

6/19 had intended crossing to Fr & see a burn should show  
a few days ago to Is on acct of fire up saddle had cut to boot lower  
or we can see some - Is claim they should be fire & fire, but  
cos jerry, had to shut burner - fuel arms at saddle that  
attempted to coast boat - reup, saddle fuel & rd 5 Is -  
det to rehydrate - o fuel & work of I of put

kind of yr costly man hrs but no regular part - 2  
of hrs & v. l of - see by rows Bonais - then a part of GFC  
here + 4 others - big man entirely suspended

See lots Es up 35' / long 2R - Is 3 fr -  
found to take a letter over - "fr falls" / too 3 / in com  
of 88. Cost us that if I should pay

6/22 - tp - garden's glass - Crug in of  
by rabbit co. of Indem; one each see - arms short,  
led like a horn - I try to be in at SL

6/24 anti tp - 4 some on to Beffs  
tho a hope - I look in by into odd of. but - - -  
band of n in just pay

6/25 - 26 (6) Jf Beauty of canoe see

6/28 tp - 6th Deer C. I wife dressed like white  
 6/29 PB a sub stone - 8 wood found pieces filled &  
 some of rocks & to reach a summit of heavy broom - to  
 sides & raised up & bottom plowed in - 150 yds long.  
 It does not seem to be eye & to reach of the water -  
 at the end we I had a & toly hss & 650

6/30 - 10 m up P of long - in two had come up  
 SS soil cost 23 fuy 100, 2 L, 36 cc bush

7/1 - B

7/2 moved to Roche - saw truly trees - a bush  
 bush are just below IR. but to water had swept it all  
 available & no one can it now - covered 100

7/3 mail letters & to DB tp - in cheap

7/4 go deal about

7/5 another tp

7/12 SP - school drop & PS
