Wm. Grant 5 m. in Curlio

6 12/1865 - Ft. Laramie I +

It began my painful duty to inform you of the death of your son Alfred. He - had of his - death on July, Aug 29.

He was sent by a express train, & while en route on Elk Horn Creek about 60 m. W. of the Post He was attacked there. Alfred passed bravely until near the close of the pass when he received 2 death wounds - the body of arrows, & did not instantly fall.

He left my aching heart, & hope & trust he is today resting - heaven.

He was buried at Fort Marshall on the successful day, the day of his death.
