

Langley 50-41 - appearance of a ladder castle... a short distance
the or angle of the castle stands a rotatory & lofty column,
vs - v other's observation - to the "leaving tower of Pisa"

Route 51-55 - To almost see day in sight of oranges, not in case can

Dublin 43-26 - Descriptive atmosphere - X Y X -
within a few miles of CTR, we can see the
cascades of the Post Office - Bullfinch about - Africa

Engle 65-149 - In many places we had observed the majestic
outlines of the capricious & slender - CTR -
root around them - greenish & early of its outlines
majesty of its proportions - it seemed as if the
cascades a vast out of such material deep green (green)

1521 - ornate on wings & / as they seemed to
"right angle of the staircase around here"
"right angle of the staircase around here"

Bank 119: 18 - 4 mi, opposite of
atmosphere, "hazy" get the middle ground & / in the
windy forms - blowing a furious
muddled in the environment - many irregular masses
down, almost 3/4 the corner / a more type

Bulwer 41:7 - complex optical & huge volcanic blast -
descriptive distance -
- warm water of mine

2 a green - 41:15 - large masses of slopy sandstone, piled
together, & scattered about in a manner resembling
the mass of a large castle

Case 45: 22 - 45: 22 - pan first case
of assignments, who often under a broad - leading
inherent, cattle to market w/ cascades of /
Lana's Green - 6 mi to south
of us, a large natural structure, neo. mass of a cap
castle, also strongly of the plateau - Capital

Green 45: 313 - a hill, on mountains mound, or strongly near
out a ledge w/ wings; side one means a crease - can be /
a great roof

XX - 45: 24 - Number case - there is a
opt the Secretary tower

them 46: 101 - vast & /, with its roof /
24

Langley 47: 121 - a ve large rock in near a castle of 4
Africa - high, but - a stone of mass

- In ground 47:21 - an today at the famous ground cattle & rotary tower. ... 6 mi to the north, a dry creek, ... about 100' in

- Burnee 49:24 - some rise there, but live people at the rear. plenty of mushrooms, fruit & some

- Gorman 49:112 - Once palace - ... accident to the bridge - over, perhaps clear

- Clear 58F 49: Pan the CH c. 4 m 1 pi road

- Good 49:32 1/2 See CR 15 - 12 m the side with hill view out of view, 100 to 200 ft. some view of the CH. ... wrap down - decay - 5 mi to top

- Letcher 49:27 - look sun morning nearly opp CH. - good rocky out of ground of the plain. - about the apex of CR pressing inwardly - ... or would be very enough to dip over to the CH, ... with 2 1/2 days to CR
